PART 2

PROVISIONS CONCERNING APPROPRIATIONS

FOR FISCAL YEAR 2021-2022

GENERAL SECTIONS

Sec. 201. Pursuant to section 30 of article IX of the state constitution of 1963, total state spending from state sources under part 1 for the fiscal year ending September 30, 2022 is \$75,080,200.00 and total state spending from state sources to be paid to local units of government is \$1,973,500.00. The itemized statement below identifies appropriations from which spending to local units of government will occur:

<u>DEPARTMENT OF HEALTH AND HUMAN SERVICES</u>		
Aging and adult services administration	\$	1,973,500
TOTAL	\$	1,973,500

Sec. 202. The appropriations made and expenditures authorized under this part and part 1 and the departments, commissions, boards, offices, and programs for which appropriations are made under this part and part 1 are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

Sec. 203. If the state administrative board, acting under section 3 of 1921 PA 2, MCL 17.3, transfers funds from an amount appropriated under part 1, the legislature may, by a concurrent resolution adopted by a majority of the members elected to and serving in each house, inter-transfer funds within part 1 for the particular department, board, commission, office, or institution.

Sec. 204. Funds appropriated in part 1 are subject to applicable federal audit and reporting requirements. Prompt action shall be taken if instances of noncompliance are identified, including noncompliance identified in an audit finding. If any instance of noncompliance is identified, including noncompliance identified in an audit finding, the state budget director shall take necessary and immediate action to rectify it. The state budget director shall notify the senate and house appropriations committees and the senate and house fiscal agencies when an instance of noncompliance is identified.

Sec. 205. The state budget director shall report on the status of funds appropriated in part 1, and all funds appropriated related to the coronavirus relief effort, to the senate and house appropriations committees and the senate and house fiscal agencies on a monthly basis until all funds are exhausted.

DEPARTMENT OF EDUCATION

Sec. 301. (1) From the funds appropriated in part 1 for COVID-19 GEER II - teacher talent pipeline, the department of education must provide \$10,000,000.00 as grants that must be allocated no later than January 31, 2022 to 1 education-related nonprofit organization that supports teacher recruitment, training, development, and retention. The program funded under this section must do all of the following:

(a) Recruit and retain high-performing educators in school-based positions by the beginning of the 2022-2023 school year to help address educator shortages in academically at-risk school districts in the state that have been significantly impacted by the COVID-19 pandemic.

(b) Protect education-related jobs in the state by addressing teacher talent pipeline shortages exacerbated by the COVID-19 pandemic.

(c) Have an established national track record of teacher recruitment, training, and ongoing support across at least 10 states, have existing operations in Michigan supporting not less than 100 educators, and have a history of at least 5 years of recruiting, developing, and retaining high-performing educators to teach in at-risk schools in Michigan. A program funded under this section must have mechanisms in place and the ability to quickly upscale operations to 3 additional districts in the state beyond its current operation with a balance of rural and urban districts, and shall not charge teachers or prospective teachers a fee or tuition for program participation.

(d) Work with external evaluators to provide recommendations to the department for best practices to scale similar programs statewide.

(2) The unexpended funds appropriated in part 1 for COVID-19 GEER II - teacher talent pipeline are designated as a work project appropriation. Any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditure for the project under this section until the project has been completed. The following is in compliance with section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a:

(a) The purpose of the project is to improve the teacher talent pipeline by recruiting and retaining high-performing educators through grants to be allocated no later than January 31, 2022 to 1 education-related nonprofit organization that supports teacher recruitment, training, development, and retention.

(b) The project will be accomplished by the department of education.

(c) The estimated cost of the project is \$10,000,000.00.

(d) The tentative completion date for the project is September 30, 2023.

Sec. 302. From the funds appropriated in part 1 for PRIME schools, not less than \$5,800,000.00 must be allocated to the SME education foundation's partnership response initiative. The SME education foundation's partnership response initiative must use the funding to provide high schools in this state with cost-effective and tailored engineering and manufacturing programs that provide equipment, curricula, professional development, scholarships, and STEM-focused curricular activities to students enrolled in and teachers teaching in high schools of this state. The department may use up to \$200,000.00 from the funds appropriated for PRIME schools to support 1 full-time equated position to administer the program.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Sec. 401. It is the intent of the legislature that the funds appropriated in part 1 for child and adolescent health care and centers are to support primary health care services provided to children and adolescents up to 21 years of age and that the funds be expended in a form and manner determined jointly by the department of health and human services and the department of education.

Sec. 402. (1) From the funds appropriated in part 1 for ARP - epidemiology and lab capacity school safety, the department of health and human services must purchase and maintain an inventory of coronavirus testing and contact tracing supplies and equipment, including home test kits, to distribute to school districts, public school academies, intermediate school districts, and nonpublic schools. The coronavirus testing and contact tracing supplies and equipment, including home test kits, must be used for coronavirus testing and contact tracing staff and students, including, but not limited to, teachers, counselors, administrators, support staff, aides, bus drivers, coaches, cafeteria staff, custodians, students playing contact sports, and other students as determined by the eligible school district, public school academy, intermediate school district, or nonpublic school, regardless of the individual's vaccination status.

(2) Within 15 calendar days of the effective date of this act, the department of health and human services must notify school districts, public school academies, intermediate school districts, and nonpublic schools of the option to not participate in the direct distribution of coronavirus testing and contact tracing supplies and equipment, including home test kits, the method by which the school district, public school academy, intermediate school district, or nonpublic school can opt out, and the maximum amount of direct financial reimbursement that each school district, public school academy, intermediate school district, or nonpublic school could receive based on an equitable head count distribution. If a school district, public school academy, intermediate school district, or nonpublic school notifies the department of health and human services and the Michigan Association of Intermediate School Administrators not more than 10 business days after receiving the required notification in this subsection from the department of health and human services that it does not wish to participate in the direct distribution of coronavirus testing and contact tracing supplies and equipment, including home test kits, that school district, public school academy, intermediate school district, or nonpublic school may request to receive

direct financial reimbursement from the department of health and human services for coronavirus testing and contact tracing supplies and equipment, including home test kits, purchased directly by that school district, public school academy, intermediate school district, or nonpublic school. A school district, public school academy, intermediate school district, or nonpublic school that opts out as described in this subsection may purchase coronavirus testing and contact tracing supplies and equipment, including home test kits, either directly from the department of health and human services or from another source. The department of health and human services must provide direct financial reimbursement within 30 days of receipt of the request.

(3) The department of health and human services must maintain a publicly accessible online list of acceptable coronavirus testing and contact tracing supplies and equipment, including home test kits, that could be procured with the funds appropriated in this section.

(4) No state or local government entity shall confiscate or redistribute coronavirus testing and contact tracing supplies and equipment, including home test kits, from an eligible school district, public school academy, intermediate school district, or nonpublic school without first receiving the consent of that eligible school district, public school academy, intermediate school district, or nonpublic school.

(5) The department of health and human services must collaborate with the Michigan Association of Intermediate School Administrators to establish procedures for the as-needed redistribution of coronavirus testing and contact tracing supplies and equipment, including home test kits, from school districts, public school academies, intermediate school districts, and nonpublic schools. The Michigan Association of Intermediate School Administrators must coordinate the redistribution of coronavirus testing and contact tracing supplies and equipment, including home test kits, based on need and after receiving the consent of that school district, public school academy, intermediate school district, or nonpublic school. Not more than 1% of the funds appropriated in part 1 for ARP - epidemiology and lab capacity school safety, or an amount equal to actual costs incurred, whichever is less, may be used by the Michigan Association of Intermediate School Administrators for administrative and logistical costs related to this subsection.

(6) Subsections (4) and (5) do not prohibit an eligible school district, public school academy, intermediate school district, or nonpublic school from voluntarily sending coronavirus testing and contact tracing supplies and equipment, including home test kits, in its possession to another eligible school district, public school academy, intermediate school district, or nonpublic school that is in need of additional coronavirus testing and contact tracing supplies and equipment, including home test kits.

(7) The department of health and human services shall collaborate with the department of education to effectuate this section.

Sec. 403. From the funds appropriated in part 1 for behavioral health substance use disorder pilot, the department of health and human services shall allocate \$1,200,000.00 to fund an online and interactive version of the protected health information consent tool and make any revisions to the tool to reflect recent legislative changes. The grantee that receives the funds appropriated in this section must have experience in developing prescription digital therapeutics to provide better outcomes for patients who suffer from substance use disorders. The grantee must develop accompanying trainings and resources for users. The grantee that receives the funds appropriated in this section must work closely with the department and its vendors to effectuate the substance use disorder health information technology plan as cited in the special terms and conditions of the relevant federal demonstration waiver approved under section 1115 of the social security act, 42 USC 1315. This includes, but is not limited to, working with the Michigan Health Information Network and the department to develop the technical specifications for integrating the protected health information consent tool with other relevant systems and applications, including, but not limited to, the eConsent tool, provider electronic health records, and state databases such as the Michigan department of health and human services data warehouse and CareConnect 360.

Sec. 404. From the funds appropriated in part 1 for COVID-19 epidemiology and lab capacity nursing home and long-term care strike teams, the department of health and human services shall recruit qualified out-of-state individuals to staff a nursing home and long-term care strike team to assist nursing homes and long-term care facilities provide care and treatment at the nursing home or long-term care facility that experiences a temporary staffing shortage.

Sec. 405. From the funds appropriated in part 1 for COVID-19 substance abuse prevention and treatment block grant, the department shall, to the extent possible, provide grants, pursuant to federal laws, rules, and regulations, to local public entities that provide substance use disorder services and to 1 private entity that has a statewide contract to provide community-based substance use disorder services.

Sec. 406. From the funds appropriated in part 1 for federal mental health block grant, the department shall, to the extent possible, provide grants, pursuant to federal laws, rules, and regulations, to local public entities that provide substance use disorder services and to 1 private entity that has a statewide contract to provide community-based mental health services.

Sec. 407. (1) From the funds appropriated in part 1 for injury control intervention – traumatic brain injury, \$5,000,000.00 must be allocated for implementation of evidence-based, real-time, quality assurance decision support software in the treatment of traumatic brain injury and for protocols that are to be available to all hospitals providing those trauma services. The funds must be used to purchase statewide licenses for traumatic brain injury treatment software and related software services and to offset hospital software integration costs. The statewide licenses for software and related software services must be purchased from the same entity from which such statewide licenses and software services were purchased, using funding from the injury control intervention project line item appropriated in section 116 of article X of 2018 PA 207 and referenced in section 1228 of article X of 2018 PA 207, in fiscal year 2018-2019. The department must seek federal matching funds that may be available for implementation of this section.

(2) The unexpended funds appropriated in part 1 for injury control intervention – traumatic brain injury are designated as a work project appropriation. Any unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditure for the project under this section until the project has been completed. The following is in compliance with section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a:

(a) The purpose of the project is to provide funding for purchasing software to support treatment of traumatic brain injury cases.

(b) The project will be accomplished by allocations to support implementation of support software.

(c) The total estimated cost of the project is \$5,000,000.00.

(d) The tentative completion date is September 30, 2025.

Sec. 408. From the funds appropriated in part 1 for mental health crisis services, \$100,000.00 shall be allocated to an established 501(c)(3) mental health crisis services organization located in a county with a population between 1,000,000 and 1,500,000 according to the most recent federal decennial census that provided supportive mental health services prior to December 6, 2021 to individuals living in a school district that is located in a charter township that has a population between 22,000 and 23,000 according to the most recent federal decennial census that is located in the same county and has a high school located in that charter township.
