1 A resolution to declare April 2021 as Sexual Assault Awareness
2 Month in the state of Michigan.

3 Whereas, Sexual Assault Awareness Month calls attention to the
4 fact that sexual violence is widespread and impacts women,
5 children, and men of all racial, cultural, and economic
6 backgrounds; and

7 Whereas, The term sexual assault refers to sexual contact or
8 behavior that occurs without explicit consent of the victim; and

1 Whereas, According to the National Sexual Violence Resource
2 Center, one out of every five American women has been the victim of
3 an attempted or completed rape in her lifetime and approximately
4 2.6 percent of American men have experienced an attempted or
5 completed rape in their lifetime; and

6 Whereas, Child sexual abuse prevention must be a priority to
7 confront the reality. From 2009-2013, Child Protective Services
8 agencies substantiated, or found strong evidence to indicate that,
9 63,000 children a year were victims of sexual abuse and a majority
10 of child victims are ages 12-17. Of victims under the age of 18, 34
11 percent of victims of sexual assault and rape are under age 12; and

18 disorder (PTSD) symptoms during the two weeks following the rape
19 and approximately 70 percent of rape or sexual assault victims
20 experience moderate to severe distress, a larger percentage than
21 for any other violent crime studied in the National Crime
22 Victimization Survey by the Bureau of Justice Statistics. Access to
23 informed and supportive services can greatly increase survivors'
24 ability to heal from sexual assault; and

25 Whereas, Sexual violence is an intolerable violent crime with
26 public health implications for every person in Michigan. Our state
27 and individual communities must be committed to hold sexual assault
28 perpetrators accountable for their heinous crimes; and

29 Whereas, When we actively increase education, awareness, and

1 community involvement, we can help prevent sexual violence and
2 create a safer environment for everyone. We must work together to
3 educate our entire population about what can be done to prevent
4 sexual assault, support survivors, and ensure that survivors are
5 not re-victimized; now, therefore, be it
