4 provide a per diem food allowance backdated to the start of  
5 mobilization.

6       Whereas, Members of the Michigan National Guard make  
7 tremendous personal sacrifice on behalf of our state and our nation

8 unsafe and insufficient. Members are reporting that meat served

11 members are using their own money to purchase meals, a situation  
12 that is inappropriate when in the service of their country; and

13       Whereas, The current situation is completely unacceptable.
