Rep. John R. Roth, from the 104th District, offered the following invocation:

Dear Lord-thank You for this opportunity to come together and work for the people of our great state. It seems fitting to start today's invocation with a quote from the poet Jimmy Buffett:

'Big blue hole out in the ocean
Where I dive straight down until I cannot see
Feel my way through a bevy of solutions
There I realize the answer lies in me.'

We gather here to find answers. Give us the wisdom to seek the best solutions. And to do this with love and respect in our hearts.

In return we pledge to do our best in the presence of Your wisdom and guidance. Amen."

The Speaker called the Speaker Pro Tempore to the Chair.

Rep. Aiyash moved that Reps. Beeler, Tyrone Carter and Neyer be excused from today's session. The motion prevailed.

A resolution to declare September 2023 as Deaf Awareness Month in the state of Michigan.

Whereas, As the deaf population includes a wide range of individuals, from those who were born profoundly deaf and use American Sign Language (ASL) as a primary means of communication to those with a degree of hearing loss who use hearing aids or other forms of amplification and communication modes; and

Whereas, According to the Michigan Division on Deaf, DeafBlind, Blind, and Hard of Hearing, at least 7.4 percent of the Michigan population identify as deaf, deafblind, or hard of hearing; and

Whereas, Michigan benefits from the many contributions of deaf, deafblind, and hard of hearing residents throughout the state; and

Whereas, Michigan is enriched by the diverse and unique heritage, language, and culture of the deaf community; and

Whereas, People who identify themselves as deaf belong to a cultural and linguistic community with shared language, social norms, rules of behavior, and history; and

Whereas, It is important to ensure that Michigan's deaf, deafblind, or hard of hearing individuals have equal access to the many benefits and opportunities available to hearing individuals to live, work, play, and communicate in Michigan; and

Whereas, To commemorate the first congress of the World Federation of the Deaf, which was held in September of 1951, the State of Michigan recognizes the entire month of September as Deaf Awareness Month; and

Whereas, The purpose of Deaf Awareness Month is to increase public awareness of the issues and the culture of people who are deaf, as well as to promote equal access to information and services for deaf individuals, to educate the public about the misconceptions of being deaf, and to learn about the types of educational programs, support services, and resources available to people who are deaf, deafblind, or hard of hearing; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare September 2023 as Deaf Awareness Month in the state of Michigan.

The question being on the adoption of the resolution,
The resolution was adopted.

By unanimous consent the House considered **House Resolution No. 130** out of numerical order.

Reps. Brenda Carter, Bezotte, Bierlein, Fitzgerald, Glanville, Haadsma, Koleszar, Morse, Rheingans and Weiss offered the following resolution:

House Resolution No. 130.

A resolution to declare August 6-12, 2023, as National Health Center Week in the state of Michigan.

Whereas, For over 50 years, community health centers have provided high-quality, affordable, comprehensive, primary and preventive health care in our nation's underserved communities, delivering value to, and having a significant impact on, America's health care system; and

Whereas, As the country's largest primary care network, community health centers are the health care home for 30 million Americans in over 14,000 locations across the nation. One in every eleven people in the United States gets their care in a community health center; and

Whereas, Community health centers are a critical element of the health system, serving both rural and urban communities, and often providing the only accessible and dependable source of primary care in their communities. Nationwide, community health centers serve one in every five residents of rural areas; and

Whereas, Community health centers serve as beacons of essential resources and support in the face of disasters and pandemics and will continue to respond quickly to care for America's most vulnerable and underserved communities. Health centers have administered over 20 million COVID-19 tests and over 22.2 million vaccines to date; and

Whereas, Every day, community health centers develop new approaches to the integration of a wide range of services beyond primary care including oral health, vision, behavioral health, and pharmacy services in order to meet the needs and challenges of their communities. Health centers have more than doubled their behavioral health workforce in the last decade to meet Americans' growing need for behavioral health services; and

Whereas, Community health centers are governed by patient-majority boards, ensuring that the patients of each health center are engaged in their own healthcare decisions; and

Whereas, They are also locally owned and operated small businesses that serve as critical economic engines, helping to power local economies by generating \$63 billion in economic activity in some of the country's most economically-challenged communities; and

Whereas, Community health centers nationally support more than 270,000 direct and indirect jobs, including physicians, nurse practitioners, physician assistants, licensed family therapists, and certified nurse-midwives who work as part of multi-disciplinary clinical teams designed to treat the whole patient; and

Whereas, The community health center model continues to prove as an effective means of overcoming barriers to healthcare access, including geography, income, and insurance status, the improvement of healthcare outcomes, and a reduction in healthcare system costs; and

Whereas, Community health centers reduce overall costs of care by helping manage patients' chronic conditions, keeping them out of costlier healthcare settings like hospital emergency rooms; and

Whereas, Community health centers are on the front lines of emerging healthcare crises, providing access to care for our nation's veterans, addressing the opioid epidemic, and responding to public health threats in the wake of natural disasters. Almost 500 health centers operate close to 1,000 mobile units, providing health services in hundreds of rural and urban communities; and

Whereas, National Health Center Week offers the opportunity to celebrate over 1,400 health center organizations in the United States with over 14,000 service delivery sites, along with their dedicated staff, board members, patients, and those responsible for their continued success and growth; and

Whereas, During National Health Center Week, we honor the legacy of America's community health centers and their vital role in shaping the past, present, and future of our healthcare system; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare August 6-12, 2023, as National Health Center Week in the state of Michigan. We encourage all Americans to participate by visiting their local health center and celebrating the important partnership between America's community health centers and the communities they serve.

The question being on the adoption of the resolution,
The resolution was adopted.

Reps. Carra, Bezotte and Bierlein offered the following resolution:

House Resolution No. 128.

A resolution to reaffirm the state of Michigan’s commitment to upholding the Article I, Section 6 right to self-defense.

Whereas, The right to use force in self-defense is one of the pillars of our society. In ideal circumstances, self-defense would never be necessary; people would never seek to harm the persons or property of others, or law enforcement would always be available when people resort to violence. However, in reality, this is not always the case. There are times when we are faced with the threat of imminent harm or death, and it becomes reasonably necessary to use force, even deadly force, to protect ourselves. This right is so essential that we have enshrined it in Article I, Section 6 of the Michigan Constitution, which states: “Every person has a right to keep and bear arms for the defense of himself and the state”; and

Whereas, The events in Kenosha, Wisconsin in the summer of 2020 and the case of Kyle Rittenhouse provide a clear example of the ongoing importance of the right to self-defense. On August 23, 2020, Jacob Blake was shot by police officers in Kenosha after refusing arrest, triggering protests and riots across the city. The police and National Guard were overwhelmed by the rioters, who ultimately burned or damaged more than 100 businesses and caused an estimated \$50 million in damage to private property. As law enforcement was failing to protect individuals and private property, some individuals, such as Kyle Rittenhouse, attempted to assist the police. On the night of August 25, Mr. Rittenhouse was defending small businesses in Kenosha when he was chased into a used car lot by the rioters, including Joseph Rosenbaum. When Mr. Rosenbaum grabbed Mr. Rittenhouse’s AR-15, Mr. Rittenhouse shot and killed Mr. Rosenbaum in self-defense. Fleeing from the mob, Mr. Rittenhouse fell to the ground, where Anthony Huber struck Mr. Rittenhouse with a skateboard and Gaige Grosskreutz pointed a loaded pistol at him. Mr. Rittenhouse shot both men in self-defense, killing Mr. Huber and injuring Mr. Grosskreutz; and

Whereas, The aftermath of this case demonstrates the need to uphold and defend the right to self-defense, especially in times of political and racial tension. Following these events, Mr. Rittenhouse was immediately criticized by a hostile news media, and he was charged with and prosecuted for Wisconsin’s equivalent of first-degree murder. However, in November 2021, Mr. Rittenhouse was rightfully acquitted of all charges. Despite the controversy and political commentary surrounding the case, the jury did not find that Mr. Rittenhouse had acted unreasonably in using force to save his life. In extreme social unrest, law enforcement may be unable to protect individuals and communities, but the right to keep and bear arms to protect lives and property will endure to fill that gap, so long as we continue to recognize its importance; now, therefore, be it

Resolved by the House of Representatives, That we reaffirm the state of Michigan’s commitment to upholding the Article I, Section 6 right to self-defense.

The resolution was referred to the Committee on Government Operations.

Messages from the Governor

The following line items veto message from the Governor was received and read:

Executive Office, Lansing, July 31, 2023

Michigan House of Representatives
State Capitol
Lansing, MI 48909

Dear Representatives,

Today I was proud to sign **Enrolled House Bill 4437**, the state budget for Fiscal Year 2024, focused on growing the economy, lowering costs for families, delivering on kitchen-table issues, and helping everyone “Make it in Michigan.”

This is the fifth balanced budget that I’ve signed since taking office. It lowers costs for health care, housing, and workforce training. It will help us keep fixing our bridges, replacing our lead pipes, and protecting public safety. And it will drive forward our “Make it in Michigan” agenda – an economic development strategy that will win more projects, invest in more people, and revitalize more places.

In this year’s budget, we were able to make meaningful investments to improve the state’s infrastructure, better the health of residents, protect our natural resources, and expand opportunities for families, communities, and businesses. In addition to funding priorities that align with Michiganders’ values, this budget is fiscally responsible. It invests a significant amount of one-time funding while maintaining a structural balance in future years by avoiding the use of temporary funds for ongoing purposes and it deposits an additional \$200 million into the state’s rainy-day fund (bringing the balance to a record-high nearly \$2 billion). This is a budget that everyone can – and should – be proud of.

I will note that the provisions in House Bill 4437 that express intent, advice, or preferences of the Legislature do not impose conditions upon appropriations and are non-binding. The items vetoed are detailed in the attached copy of the bill that has been filed with the Secretary of State. Any boilerplate provisions in House Bill 4437 that violate the constitution because, for example, they contravene separation of powers principles (Const 1963, art 3, § 2); are impermissible amendments by reference (Const 1963, art 4, § 25); embrace more than one object (Const 1963, art 4, § 24); purport to authorize legislation other than by bill (Const 1963, art 4, § 22); or, intrude on the authority of another body, like the Civil Service Commission (Const 1963, art 11, § 5), are unenforceable and will not take effect.

To illustrate, the following provisions are examples of constitutionally unenforceable boilerplate in House Bill 4437 that will not take effect:

- Article 1, Sections 207, 219, and 225 of the Department of Agriculture and Rural Development (these provisions appear across multiple departments; all are unenforceable).
- Article 5, Sections 228 and 625 of General Government.
- Article 9, Section 225 of the Department of Labor & Economic Opportunity.
- Article 15, Section 660(2) of the State Transportation Department.

Thank you for your attention to these matters and for all your work to pass this historic budget. I look forward to continuing our work together to deliver lasting, meaningful change for Michiganders across this great state.

Sincerely,
Gretchen Whitmer
Governor
