18 the nonemergency patient's carrier for the region and provider

5 Sec. 24510. (1) Beginning July 1, 2021, if a nonparticipating  
6 provider **or nonparticipating emergency medical services operation**  
7 believes that the amount described in section 24507(2)(a) or

9 nonparticipating provider **or nonparticipating emergency medical**  
10 **services operation** may make a request to the department for a  
11 review of the calculation. The request must be made on a form and  
12 in a manner required by the department.

13 (2) The department may request data on the median amount  
14 negotiated by the patient's carrier with participating providers or  
15 any documents, materials, or other information that the department  
16 believes is necessary to assist the department in reviewing the  
17 calculation described in subsection (1) and may consult an external  
18 database that contains the negotiated rates under the patient's  
19 health benefit plan for the applicable health care service. For  
20 purposes of conducting a review under this section, any data,  
21 documents, materials, or other information requested by the  
22 department must only be submitted to the department.

23 (3) If, after conducting its review under this section, the  
24 department determines that the amount described in section  
25 24507(2)(a) or 24509(5)(a), **as applicable**, was incorrectly  
26 calculated, the department shall determine the correct amount. A  
27 nonparticipating provider **or nonparticipating emergency medical**  
28 **services operation** shall not file a subsequent request for a review  
29 under subsection (1) if the request involves the same rate

1 calculation for a health care service for which the  
 2 nonparticipating provider **or nonparticipating emergency medical**  
 3 **services operation** has previously received a determination from the  
 4 department under this section.

5 (4) All of the following apply to any data, documents,  
 6 materials, or other information described in subsection (2) that  
 7 are in the possession or control of the department and that are  
 8 obtained by, created by, or disclosed to the director or a  
 9 department employee for purposes of this section:

10 (a) The data, documents, materials, or other information is  
 11 considered proprietary and to contain trade secrets.

12 (b) The data, documents, materials, or other information are  
 13 confidential and privileged and are not subject to disclosure under  
 14 the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

 17 admissible in evidence in any private civil action.

18 (5) The director or a department employee who receives data,  
 19 documents, materials, or other information under this section shall  
 20 not testify in any private civil action concerning the data,  
 21 documents, materials, or information.

22 Sec. 24511. (1) A nonparticipating provider who **or**  
 23 **nonparticipating emergency medical services operation that** provides  
 24 a health care service involving a complicating factor to an  
 25 emergency patient described in section 24507(1)(a) or ~~(e)~~ **(d)** may  
 26 file a claim with a carrier for a reimbursement amount that is  
 27 greater than the amount described in section 24507(2). The claim  
 28 must be accompanied by both of the following:

29 (a) Clinical documentation demonstrating the complicating

1 factor.

2 (b) The emergency patient's medical record for the health care  
3 service, with the portions of the record supporting the  
4 complicating factor highlighted.

5 (2) A carrier shall do 1 of the following within 30 days after  
6 receiving the claim described in subsection (1):

7 (a) If the carrier determines that the documentation submitted  
8 with the claim demonstrates a complicating factor, make 1  
9 additional payment that is 25% of the amount provided under section  
10 24507(2)(a).

11 (b) If the carrier determines that the documentation submitted  
12 with the claim does not demonstrate a complicating factor, issue a  
13 letter to the nonparticipating provider denying the claim.

14 (3) If a carrier denies a claim under subsection (2),  
15 beginning July 1, 2021, the nonparticipating provider **or**  
16 **nonparticipating emergency medical services operation** may file a  
17 written request for binding arbitration with the department on a  
18 form and in a manner required by the department. The department  
19 shall accept the request for binding arbitration if the department  
20 receives all of the following from the nonparticipating provider **or**  
21 **nonparticipating emergency medical services operation**:

22 (a) The documentation that the nonparticipating provider **or**  
23 **nonparticipating emergency medical services operation** submitted to  
24 the carrier under subsection (1).

25 (b) The contact information for the emergency patient's health  
26 benefit plan.

27 (c) The denial letter described in subsection (2).

28 (4) If the request for binding arbitration under subsection  
29 (3) is accepted by the department, the department shall notify the

1 carrier. Within 30 days after receiving the department's  
2 notification under this subsection, the carrier shall submit  
3 written documentation to the department either confirming the  
4 carrier's denial or providing an alternative payment offer to be  
5 considered in the arbitration process.

6 (5) The department shall create and maintain a list of  
7 arbitrators approved by the department who are trained by the  
8 American Arbitration Association or American Health Lawyers  
9 Association for purposes of providing binding arbitration under  
10 this section. The parties to the arbitration shall agree on an  
11 arbitrator from the department's list. The arbitration must include  
12 a review of written submissions by both parties, including  
13 alternative payment offers, and the arbitrator shall provide a  
14 written decision within 45 days after receiving the documentation  
15 submitted by the parties. In making a determination, the arbitrator  
16 shall consider documentation supporting the use of a procedure code  
17 or modifier for care provided beyond the usual health care service  
18 and any of the following:

19 (a) Increased intensity, time, or technical difficulty of the  
20 health care service.

21 (b) The severity of the patient's condition.

22 (c) The physical or mental effort required in providing the  
23 health care service.

24 (6) The nonparticipating provider **or nonparticipating**  
25 **emergency medical services operation** and the carrier shall each pay  
26 1/2 of the total costs of the arbitration proceeding. A  
27 nonparticipating provider **or nonparticipating emergency medical**  
28 **services operation** participating in arbitration under this section  
29 shall not collect or attempt to collect from the patient any amount

1 other than the applicable in-network coinsurance, copayment, or  
2 deductible.

3 (7) This section does not limit any other review process  
4 provided under this article.

5 (8) As used in this section, "complicating factor" means a  
6 factor that is not normally incident to a health care service,  
7 including, but not limited to, the following:

8 (a) Increased intensity, time, or technical difficulty of the  
9 health care service.

10 (b) The severity of the patient's condition.

11 (c) The physical or mental effort required in providing the  
12 health care service.

13 Sec. 24513. This article does not prohibit a **carrier and a**  
14 **nonparticipating provider** ~~and a carrier or nonparticipating~~  
15 **emergency medical services operation** from agreeing, through private  
16 negotiations or an internal dispute resolution process, to a  
17 payment amount that is greater than the amounts described in  
18 section 24507(2) or 24509(5). A nonparticipating provider **or**  
19 **nonparticipating emergency medical services operation** entering into  
20 an agreement authorized under this section shall not collect or  
21 attempt to collect from the patient any amount other than the  
22 applicable in-network coinsurance, copayment, or deductible.
