Pastor Ben Wheatley, Worship Director of Woodside Bible Church Romeo Campus in Washington, offered the following invocation:

“Almighty God,

We come before You, as Your people, with hearts full of praise for Your majesty and grace. You are the Creator of all things, the Lord of glory, and the Savior of our souls. We confess our unworthiness to enter Your presence, yet we come boldly because of the blood of Jesus, which has cleansed us from all sin.

To You, O God, we lift up our souls. To You we offer our praise and prayer, our worship and thanksgiving, even our very lives. Make Your ways known to us. Show us the path on which we should walk. Lead us in Your truth and teach us. For You alone are the God Who saves, the God in Whom we trust; and the One on Whom we wait.

Lord, into Your most holy presence we now come. Calm our anxious spirits. Remove the distractions that would keep us from You here today. Break down the walls of separation that we have built to keep You from our hardened hearts and us from each other. Lead us in joy and celebration of the only reality worth knowing, that You love us as we are. Free us for joyful obedience to Your claim and call on our lives this day and every day.

Amen.”

**Motions and Resolutions**

Reps. Brenda Carter, Breen, Fox, MacDonell, Paiz, Rheingans, Rogers and Woolford offered the following resolution:

**House Resolution No. 74.**

A resolution to declare April 2025 as Handwriting Month in the state of Michigan.

Whereas, The ability to read and write is a fundamental aspect of American society and culture; and  
Whereas, A 2024 study has shown that writing down information, as opposed to typing information, leads to better overall brain connectivity and memory, especially for school-age children; and

Whereas, Ensuring students have access to writing education will enhance their literacy skills, support their academic achievement, and preserve an essential mode of written communication for future generations; and  
Whereas, Handwriting is recognized by educators throughout the world as an important component of a child’s education; and

Whereas, In addition to the importance of writing education, research has shown that learning cursive writing enhances cognitive development and improves fine motor skills, which supports both reading comprehension and written communication; and

Whereas, The ability to write a cursive signature is needed on many documents, including mortgages, student loans, checks, deeds, titles, and more; and

Whereas, The founding documents of our great nation, including the Declaration of Independence, the United States Constitution, and the Bill of Rights, are written in cursive; and

Whereas, John Hancock, a great patriot from the Commonwealth of Massachusetts, served as President of the Continental Congress (1775–1777) and Governor of Massachusetts (1780–1785) and, in 1776 became the first to sign the Declaration of Independence, leaving a large and prominent signature that made “John Hancock” synonymous with handwritten signatures and the importance of penmanship in American history; and

Whereas, The date of Hancock’s birth, January 23, 1737, has been recognized as National Handwriting Day since 1977, as first promoted by the Writing Instrument Manufacturers Association to honor the enduring significance of handwriting in civic life; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare April 2025 as Handwriting Month in the state of Michigan. We strongly support the ability of all children to perform their own research, read, and write.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Wegela, McKinney, Morgan, Pohutsky, Dievendorf, Wilson, Weiss, Rheingans, MacDonell, Arbit and Paiz offered the following resolution:

**House Resolution No. 75.**

A resolution to urge the United States House of Representatives to introduce and adopt articles of impeachment against President Donald J. Trump for the high crimes of repeatedly undermining the Constitution of the United States.

Whereas, United States President Donald J. Trump took the oath of office on January 20, 2025, swearing that he would, to the best of his ability, “preserve, protect and defend the Constitution of the United States.” He has failed to uphold this oath, and has instead repeatedly violated rights protected by the Constitution; and

Whereas, The Fifth Amendment to the United States Constitution states that no person shall be “deprived of life, liberty, or property, without due process of law.” The due process rights of foreign nationals, however, have not been defended under the current administration; and

Whereas, The Trump Administration has clearly demonstrated its lack of respect for the constitutional constraints on the executive branch in the immigration context. For example, the Trump Administration unlawfully detained and removed Kilmar Armando Abrego García from the United States, and he is now being held in a foreign detention center. Despite the fact that the Supreme Court of the United States, in a unanimous, 9-0 decision, upheld an order directing the government to facilitate his return, President Trump and his Administration have failed to facilitate Abrego García’s safe return to this country. The Trump Administration has also fought for the deportation of Mahmoud Khalil on the basis of disagreements in foreign policy, even though Khalil has not been accused of, charged with, or convicted of any crime, let alone one relevant to his immigration status; and

Whereas, The Trump Administration has also begun revoking the visas of large numbers of international students. Some students have had their records in the Student and Exchange Visitor Information System terminated without notification, and many are confused as to why they have been targeted. Visas have been cancelled for students attending the University of Michigan, Michigan State University, and Grand Valley State University, among others; and

Whereas, President Trump has even expressed interest in the unthinkable move of deporting United States citizens; and

Whereas, These cases are representative of a larger policy of reckless abuse of authority to undermine due process and, in turn, the protection of other fundamental American rights such as free speech and freedom of assembly; and

Whereas, Article II, Section 4 of the United States Constitution states that “[t]he President, Vice President and all civil Officers of the United States, shall be removed from Office on Impeachment for, and Conviction of, Treason, Bribery, or other high Crimes and Misdemeanors.” The United States House of Representatives has the sole power of impeachment under Article I, Section 2, Clause 5, and the United States Senate has the sole power to try impeachments under Article I, Section 3, Clause 6; now, therefore, be it

Resolved by the House of Representatives, That we urge the United States House of Representatives to introduce and adopt articles of impeachment against President Donald J. Trump for the high crimes of repeatedly undermining the Constitution of the United States; and be it further

Resolved, That copies of this resolution be transmitted to the Speaker of the United States House of Representatives and the members of the Michigan congressional delegation; and be it further

Resolved, That we request a personal response to this resolution be sent from the Office of the Clerk of the United States House of Representatives to the Speaker of the Michigan House of Representatives and the Majority Leader of the Michigan Senate within one month of receipt.

The resolution was referred to Committee on Government Operations.

Rep. Posthumus moved that Rule 71 be suspended and the resolution be considered at this time. The motion prevailed, 3/5 of the members present voting therefor.

Reps. BeGole, Alexander, Fox, Jaime Greene, Rigas, Schuette and Woolford offered the following resolution:

**House Resolution No. 76.**

A resolution to commend President Donald J. Trump for his leadership and accomplishments during his first one hundred days in office, recognize the positive impact of his actions on the state of Michigan and the nation, and extend to him our gratitude and best wishes for continued success.

Whereas, President Donald J. Trump's first one hundred days in office marked a decisive return to pro-growth, pro-security, and America first policies, setting a new course for the nation that has had a direct and positive impact on the state of Michigan; and

Whereas, President Trump has delivered on his commitments to the American people by renegotiating unfair trade deals, eliminating wasteful spending, securing the border, taking action to prevent the flow of fentanyl into Michigan communities and advancing policies that directly benefit Michigan's economy, manufacturing sector, and working families; and

Whereas, In these first one hundred days, the Trump Administration issued tariffs on countries that had established unfair trade terms with the United States, strengthening domestic manufacturing, including Michigan's automotive and manufacturing industries, and delivering a tangible impact for Michigan workers and their families by protecting jobs, supporting local economies, and reinforcing the livelihoods of the people who power our state; and

Whereas, One hundred days into his second term, President Trump traveled to Michigan to announce a new F-15EX Eagle II fighter mission with twenty-one aircraft at Selfridge Air National Guard Base, a key national defense hub and economic anchor that supports thousands of jobs and military families in Michigan and the nation; and

Whereas, President Trump has demonstrated his commitment to Michigan's natural resources by publicly promising to prevent Asian carp from entering the Great Lakes and supporting the Brandon Road Interbasin Project, critical to protecting Michigan's waters and economy; and

Whereas, President Trump's Executive Order, declaring a National Energy Emergency, has allowed for emergency permitting of the proposed Enbridge Line 5 tunnel project, securing Michigan's energy infrastructure and protecting thousands of Michigan jobs; and

Whereas, The Department of Government Efficiency has identified over \$160 billion in government waste and fraud, the elimination of unnecessary agencies, the cancellation of wasteful grants and contracts, and the dismantling of politicized diversity, equity, and inclusion initiatives across federal agencies — freeing up resources to prioritize infrastructure, energy, agriculture, and national defense projects critical to the country; and

Whereas, President Trump has followed through with his pledge to secure our border and protect our communities by deploying troops to the border, preventing illegal immigration, and partnering with state and local enforcement officers to remove dangerous illegal aliens — resulting in a 95% reduction in illegal border encounters and the arrest of over 150,000 illegal aliens; and

Whereas, President Trump's Executive Order to increase American mineral production has expedited permitting for a proposed mine in Osceola County, which will reduce reliance on foreign potash and prioritize the nation's and Michigan's critical potash reserve; and

Whereas, President Trump celebrated the success of his first one hundred days by visiting Macomb County on April 29, 2025, and highlighting the important role the state of Michigan plays in the success of his polices and direction for the country; now therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commend President Donald J. Trump for his leadership and accomplishments during his first 100 days in office, recognize the positive impact of his actions on the state of Michigan and the nation, and extend to him our gratitude and best wishes for continued success; and be it further

Resolved, That a copy of this resolution be transmitted to the President of the United States.

The question being on the adoption of the resolution,

### Point of Order

Rep. Fitzgerald requested a ruling of the Chair on why using a person's proper name is grounds to impede debate in this Chamber.

The Chair ruled the previous speaker's comments are out of order.

The question being on the adoption of the resolution,  
The resolution was adopted.

Reps. VanWoerkom, Slagh, Alexander, Arbit, Fox, Jaime Greene, Snyder, Witwer and Woolford offered the following resolution:

#### **House Resolution No. 77.**

A resolution urging Illinois Governor JB Pritzker to resume construction of the Brandon Road Interbasin Project to prevent the spread of Asian carp into the Great Lakes.

Whereas, Asian carp were introduced in the southern United States in the 1970s to control algae blooms and aquatic weeds for aquaculture and wastewater treatment. Flood waters over the past few decades have allowed these species to escape into waterways, including the Mississippi River; and

Whereas, Asian carp species such as the bighead, silver, grass, and black carps are not native to North America and have become a highly invasive species in the waterways where they are located. Asian carp can grow up to sixty pounds and can eat up to forty percent of their weight each day, leading to outcompeting native species for food sources and harming local ecologies; and

Whereas, Bighead and silver carp have been located within forty-seven miles of Lake Michigan in the Des Plaines River, putting the seven-billion-dollar Great Lakes commercial and recreational fishing industry in jeopardy; and

Whereas, The state of Illinois and the state of Michigan signed a partnership agreement with the United States Army Corps of Engineers Rock Island District to begin construction on the Brandon Road Interbasin Project (BRIP) to prevent upstream movement of invasive carp into the Great Lakes; and

Whereas, The BRIP is funded with a combination of funds from the federal government, the state of Illinois, and the state of Michigan. The state of Michigan has already contributed seventy-three and a half million dollars to the BRIP over the past five years; and

Whereas, In February 2025, Governor Pritzker postponed the first phase of the BRIP's construction due to concerns about the availability of federal funding to move forward with the project; and

Whereas, President Trump, on April 9, 2025, publicly pledged to save Lake Michigan from invasive Asian carp, as he understands the economic and environmental catastrophe that this species would wreak across our Great Lakes without this protective project; and

Whereas, We share President Trump's support for the BRIP and the continuation of the project to prevent movement of Asian carp into the Great Lakes; now, therefore, be it

Resolved by the House of Representatives, That we urge Illinois Governor JB Pritzker to resume construction of the Brandon Road Interbasin Project to prevent the spread of Asian carp into the Great Lakes; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the Governor of Michigan, and the Governor of Illinois.

The resolution was referred to Committee on Natural Resources and Tourism.

Reps. St. Germaine, Alexander, Fox, Jaime Greene, Mentzer, Rigas and Woolford offered the following resolution:

#### **House Resolution No. 78.**

A resolution to support President Trump's decision regarding the new F-15EX Eagle II fighter mission at the Selfridge Air National Guard Base to replace the outgoing A-10 Thunderbolts.

Whereas, The Selfridge Air National Guard Base located near Mount Clemens in Macomb County has been in operation since 1917 and is currently home to the 127th Wing of the Michigan Air National Guard, as well as over 40 tenant commands including components of the United States Air Force, Army, Navy, Marine Corps, Coast Guard, and Customs and Border Protection; and

Whereas, The 127th Wing of the Michigan Air National Guard housed at the Selfridge Air National Guard Base currently operates the Boeing KC-135 Stratotanker and Fairchild Republic A-10 Thunderbolt II. However, divestment of the A-10 Thunderbolts at Selfridge is set to begin in 2026, with the KC-135 Stratotankers beginning divestment in 2027; and

Whereas, The Selfridge Air National Guard Base maintains nearly 5,000 personnel and has an approximately 850 million dollar economic impact on the state. Michigan has appropriated more than 25 million dollars over the last two fiscal years for updates and capital improvements to the runway, hangar, and maintenance facilities at the military base in preparation for a new fighter mission; and

Whereas, The positive impacts from the operation of the Selfridge Air National Guard Base extend beyond our great state. Selfridge enhances American air superiority and domestic security on our northern border, being strategically located to provide northern routes to the arctic and the rest of the country. Furthermore, the use of an Air National Guard Base such as Selfridge costs taxpayers less than if an active United States Air Force base was utilized; and

Whereas, On April 29, 2025, 100 days into his second term, President Trump traveled to Michigan to announce a new F-15EX Eagle II fighter mission with 21 aircrafts at the Selfridge Air National Guard Base; now, therefore, be it

Resolved by the House of Representatives, That we support President Trump’s decision regarding the new F-15EX Eagle II fighter mission at the Selfridge Air National Guard Base to replace the outgoing A-10 Thunderbolts and securing the future of the base for decades to come; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The question being on the adoption of the resolution,

The resolution was adopted.
