11       Whereas, It is estimated by the United States Census Bureau  
12 that nearly one in four, or 70 million, adults live with a

7 public life including jobs, schools, and transportation; and

8       Whereas, Every individual deserves respect, access, and equal  
9 opportunity; and

10       Whereas, America and the state of Michigan are strong because  
11 of the contributions of all of our citizens; and

12       Whereas, We recognize that our work to uphold the spirit and  
13 the letter of the ADA is not yet finished; and

14       Whereas, We must continue to work together to build a society  
15 in which differences are embraced, opportunities are made equally  
16 available, and one that will leave no person behind; now,
