HOUSE RESOLUTION NO. 55

Rep. Kelly offered the following resolution:

- 1 A resolution to support the devolution of power from the
- 2 United States Department of Education to the states and to urge the
- 3 United States Congress to fully cooperate with these efforts.
- 4 Whereas, The Tenth Amendment to the United States Constitution
- 5 clearly states that powers that are not delegated to the federal
- 6 government, nor prohibited by it to the states, are reserved to the
- 7 states or the people. Education is not enumerated as a
- 8 responsibility of the federal government; and
- 9 Whereas, The creation of the United States Department of
- 10 Education in 1980 has contributed to significant federal overreach
- 11 into education through burdensome regulations and one-size-fits-all
- 12 standards; and
- Whereas, Despite 276 billion dollars in one-time spending for
- 14 COVID-19 recovery efforts, and the Department of Education spending

268 billion dollars in the 2024 fiscal year, gaps in meeting 1 educational needs continue to cause our students to suffer; and 2 Whereas, Student reading scores have been on a decline since 3 2019. In 2024, it was found that about 40 percent of 4th grade 4 students are working below a basic reading level based on national 5 6 standards, which is the largest percentage since 2002. This same 7 report found that about one third of 8th grade students failed to meet national reading benchmarks, which is the largest percentage 8 9 ever; and 10 Whereas, States and local communities possess unique knowledge of their students' educational needs and are best positioned to 11 develop the curriculum and policies that reflect their values and 12 priorities. With over 1.3 million students enrolled in Michigan K-13 14 12 public schools, we have a responsibility to make sure our 15 students are being set up for success; and Whereas, President Trump has publicly expressed a desire to 16 eliminate the Department of Education, and to rightfully put the 17 states back in full control of education; and 18 Whereas, The elimination of the Department of Education is not 19 20 only consistent with the spirit of the Tenth Amendment to the United States Constitution, but it could also help facilitate 21 22 taxpayer dollars being spent more efficiently and help students 23 achieve better outcomes; now, therefore, be it 24 Resolved by the House of Representatives, That we support the 25 devolution of power from the United States Department of Education 26 to the states, and we urge the United States Congress to fully 27 cooperate with these efforts; and be it further

Resolved, That copies of this resolution be transmitted to the
