Sec. 10. (1) If the state equalized valuation of the property proposed to be exempt pursuant to an application under consideration, considered together with the aggregate state equalized valuation of property exempt under certificates previously granted and currently in force under this act or under Act No. 198 of the Public Acts of 1974, being sections 207.551 to 207.571 of the Michigan Compiled Laws, or the commercial redevelopment act, Act No. 255 of the Public Acts of 1978, being sections 207.651 to 207.668 of the Michigan Compiled Laws, exceeds 5% of the state equalized valuation of the local governmental unit, the legislative body of the local governmental unit shall make a separate finding and shall state in its resolution approving the application that exceeding that amount shall not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any affected taxing unit.

(2) The legislative body of the local governmental unit shall not approve an application unless all of the following requirements are met:

(a) If an application relates to real property, including real property assessable as personal property under section 14(6) of the general property tax act, Act No. 206 of the Public Acts of 1893, being section 211.14 of the Michigan Compiled Laws, the construction of any part of a facility has not commenced before the submission of the application and, if an application relates to personal property, the acquisition of any of the personal property by the applicant has not occurred before submission of the application. This subsection does not prevent an applicant from entering into a contract or purchase order if the contract or purchase order is cancelable by the applicant if the application is not approved.

(b) The application relates to a facility as defined in this act which shall be located within a qualified district established by a local governmental unit eligible under this act to establish that district.

(c) Completion of the facility is calculated to and will, at the time of the issuance of the certificate, have the reasonable likelihood to increase economic activity, create employment, retain employment, or prevent the loss of employment in the local governmental unit in which the facility is located.

(d) Completion of the facility will not cause the transfer of employment of more than 20 full-time persons from 1 or more local governmental units or, if completion of the facility will cause the transfer of employment of more than 20 full-time persons from 1 or more local governmental units, the applicant has provided notification to the department and to each local governmental unit from which such employment is to be transferred and the notified local governmental unit has not objected by resolution within 30 days after receipt of notification of the transfer of employment. If a notified local governmental unit objects within 30 days after receipt of the notification, the application shall not be approved until the objection is waived by the objecting local governmental unit. If the local governmental unit objects, a copy of the resolution of objection showing

reasons for the objection shall be filed within 20 days after adoption with the department.

(e) Completion of the facility will not cause transfer of employment from 1 or more local governmental units of this state with a population of 800,000 or more persons to the local governmental unit in which the facility is to be located or, if completion of the facility will cause such a transfer of employment, the legislative body of each local governmental unit from which employment is to be transferred consents by resolution to the issue of the certificate. If a local governmental unit from which employment is to be transferred does not give its consent, a copy of the resolution of denial showing reasons for the denial shall be filed with the department within 20 days after adoption.

207.712 Technology park facilities tax; levy; amount; collection, disbursement, and assessment of tax; payment; copy of amount of disbursement; facility located in renaissance zone; facility of qualified start-up business.

Sec. 12. (1) Except as provided in subsections (8) and (9), there is levied upon every owner of record and every user or occupant, if known, of a facility to which a certificate is issued, a specific tax to be known as a technology park facilities tax.

(2) The amount of the technology park facilities tax in each year shall be determined by multiplying the state equalized valuation of the facility excluding the land and the inventory personal property by the sum of 1/2 of the total mills levied as ad valorem taxes for that year by all taxing units within which the facility is located other than mills levied by a local or intermediate school district within which the facility is located for school operating purposes or mills levied under the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, plus 1/2 of the number of mills levied for school operating purposes in 1993.

(3) The technology park facilities tax shall be collected, disbursed, and assessed in accordance with this act.

(4) The technology park facilities tax shall be an annual tax payable at the same time, in the same manner, and to the same officer or officers as taxes imposed under the general property tax act, 1893 PA 206, MCL 211.1 to 211.155, are payable. Except as otherwise provided in this section, the officer or officers shall disburse technology park facilities tax payments received each year to the state, cities, townships, villages, school districts, counties, community and junior colleges, and authorities, at the times and in the proportions required by law for the disbursement of taxes collected under the general property tax act, 1893 PA 206, MCL 211.1 to 211.155. To determine the proportion for the disbursement of taxes under this subsection and for attribution of taxes under subsection (6) for taxes collected pursuant to technology park facilities exemption certificates issued before January 1, 1994, the number of mills levied for local school district operating purposes to be used in the calculation shall equal the number of mills for local school district operating purposes levied in 1993 minus the number of mills levied under the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, for the year for which the disbursement is calculated.

(5) Except as provided in subsection (6), all or a portion of the amount to be disbursed to intermediate school districts receiving state aid under sections 56, 62, and 81 of the state school aid act of 1979, 1979 PA 94, MCL 388.1656, 388.1662, and 388.1681, as determined on the basis of the tax rates being utilized to compute the amount of state aid, shall be paid to the state treasury and credited to the state school aid fund established by section 11 of article IX of the state constitution of 1963.

(6) For technology park facilities taxes levied after 1993 for school operating purposes, the amount to be disbursed to a local school district shall be paid to the state treasury and credited to the state school aid fund established by section 11 of article IX of the state constitution of 1963.

(7) The officer or officers shall send a copy of the amount of disbursement made to each unit under this section to the department on a form provided by the department.

(8) A facility located in a renaissance zone under the Michigan renaissance zone act, 1996 PA 376, MCL 125.2681 to 125.2696, is exempt from the technology park facilities tax levied under this act to the extent and for the duration provided pursuant to the Michigan renaissance zone act, 1996 PA 376, MCL 125.2681 to

125.2696, except for that portion of the technology park facilities tax attributable to a special assessment or a tax described in section 7ff(2) of the general property tax act, 1893 PA 206, MCL 211.7ff. The technology park facilities tax calculated under this subsection shall be disbursed proportionately to the local taxing unit or units that levied the special assessment or the tax described in section 7ff(2) of the general property tax act, 1893 PA 206, MCL 211.7ff.

(9) Upon application for an exemption under this subsection by a qualified start-up business, the governing body of a local tax collecting unit may adopt a resolution to exempt a facility of a qualified start-up business from the collection of the technology park facilities tax levied under this act in the same manner and under the same terms and conditions as provided for the exemption in section 7hh of the general property tax act, 1893 PA 206, MCL 211.7hh. The clerk of the local tax collecting unit shall notify in writing the assessor of the local tax collecting unit and the legislative body of each taxing unit that levies ad valorem property taxes in the local tax collecting unit. Before acting on the resolution, the governing body of the local tax collecting unit shall afford the assessor and a representative of the affected taxing units an opportunity for a hearing. If a resolution authorizing the exemption is adopted in the same manner as provided in section 7hh of the general property tax act, 1893 PA 206, MCL 211.7hh, the facility owned or operated by a qualified start-up business is exempt from the technology park facilities tax levied under this act, except for that portion of the technology park facilities tax attributable to a special assessment or a tax described in section 7ff(2) of the general property tax act, 1893 PA 206, MCL 211.7ff, for the year in which the resolution is adopted. A qualified start-up business is not eligible for an exemption under this subsection for more than 5 years. A qualified start-up business may receive the exemption under this subsection in nonconsecutive years. The technology park facilities tax calculated under this subsection shall be disbursed proportionately to the taxing unit or units that levied the special assessment or the tax described in section 7ff(2) of the general property tax act, 1893 PA 206, MCL 211.7ff. As used in this subsection, "qualified start-up business" means that term as defined in section 31a of the single business tax act, 1975 PA 228, MCL 208.31a, or in section 415 of the Michigan business tax act, 2007 PA 36, MCL 208.1415.
