Sec. 1. That in order the state may more effectively exercise the duty and obligation which it owes to unfortunate children, there is hereby created and established the Michigan children's institute. Such records, papers, equipment and appurtenances as needed from the state public school shall be transferred to the said institute and whenever the name "state public school" appears in any statute of this state it shall be taken and deemed to mean the Michigan children's institute.

History: 1935, Act 220, Imd. Eff. June 8, 1935;—CL 1948, 400.201.

Former law: See Act 143 of 1903 and Act 164 of 1931.

400.202 Children's institute; control by social welfare commission; superintendent, officers and employees.

Sec. 2. The said Michigan children's institute shall be under the control and management of the Michigan social welfare commission, hereinafter referred to as "the commission", whose appointment and duties are provided in Act No. 280 of the Public Acts of 1939, as amended, being sections 400.1 to 400.90, inclusive, of the Compiled Laws of 1948, and as further expressly provided for in this act. The commission shall appoint the superintendent, and such other officers and employees as it shall deem necessary, who shall severally hold their offices and positions during the pleasure of the commission.

History: 1935, Act 220, Imd. Eff. June 8, 1935;—Am. 1944, 1st Ex. Sess., Act 8, Imd. Eff. Feb. 19, 1944;—CL 1948, 400.202;—Am. 1955, Act 220, Eff. Oct. 14, 1955.

400.203 Provisions for admission of child under 17 to Michigan children's institute.

Sec. 3. (1) A child under 17 years of age, provision for whose support and education has been made under regulations of the department, may be admitted to the Michigan children's institute by commitment to the department. All children committed to the Michigan children's institute shall be considered committed to the department and shall be subject to review by the juvenile division of the probate court under chapter XIIIA of the probate code of 1939, 1939 PA 288, MCL 712A.1 to 712A.32. The superintendent of the institute shall represent the state as guardian of each child committed beginning with the day the child is admitted and continuing until the child is 19, unless the superintendent or the department discharges the child sooner as provided in section 8 or 9 or if the child is at least 18 years of age but less than 21 years of age and is participating in extended foster care services as described in section 11 of the young adult voluntary foster care act. Wherever commitment to the Michigan children's institute is mentioned in any law of this state, it shall be construed to mean commitment to the department. A child may be committed to the department by either of the following:

(a) By the juvenile division of the probate court, if the child is within the court's jurisdiction under section 2(b) of chapter XIIIA of the probate code of 1939, 1939 PA 288, MCL 712A.2.

(b) By the probate court, if the child is a ward of the court and the court has denied an order of adoption for the child.

(c) By observation order. If a child has been decreed to be a ward of the probate court or the juvenile division of the probate court has acquired formal jurisdiction of a child, and it appears to the probate court that, because of the circumstances of the case or because the child's condition might be benefited, the court may make a temporary commitment to the department and direct that the child be taken to a facility of the Michigan children's institute for observation for a period not to exceed 90 days. Before the expiration of this order of observation, the superintendent of the institute shall report to the probate court the results of the observation of the child. If the superintendent reports to the probate court that the order of observation should be extended or that the child is in need of treatment for emotional disturbance that does not require hospital care and for which the institute has facilities, then the court may extend the temporary commitment and

continue the observation order or establish a treatment period for the child to any date prior to the nineteenth birthday of the child. If the child has ceased to be a ward of the court, written consent of the person or persons lawfully having custody of the child shall be secured. Before the expiration of this extended order of observation or treatment, the superintendent shall report to the probate court the results of the observation or treatment of the child and an opinion stating what disposition can be made of the child. Before any child is sent to a facility of the institute for observation, the superintendent of the institute shall notify the probate court that there is room to receive the child and shall designate the facility of the institute for the reception of the child. The commission may by regulation establish conditions for the reimbursement of the expense of caring for the child while under the supervision of the institute if the parents or other persons responsible for the child's support are financially able to pay reasonable costs of the child's care.

(2) The superintendent of the institute has the power to make decisions on behalf of a child committed to the institute. The attorney general or his or her representative shall represent the Michigan children's institute superintendent in any court proceeding in which the superintendent considers such representation necessary to carry out his or her duties under this act.

(3) As used in this act, "department" means the department of human services.

400.204 Michigan children's institute; commitment order; transportation; expense; communication with child's attorney.

Sec. 4. (1) Within 30 days after an order is made committing a child to the superintendent of the Michigan children's institute, the court shall send to the superintendent a certified copy of the petition, the order of disposition in the case, and the report of the physician who examined the child. Upon receipt of the order the superintendent of the Michigan children's institute shall notify the court of the child's placement so that the court may cause the child to be transported to that placement. The expense of the child's transportation shall be audited by the auditor general or a certified public accountant appointed by the auditor general and paid from the general fund in the same manner as the expense of conveying children to other institutions of the state.

(2) During the time a child is committed to the superintendent of the Michigan children's institute, the superintendent and the child's attorney may communicate with each other regarding issues of commitment, placement, and permanency planning; and if the child's attorney has an objection or concern regarding such an issue, the superintendent and the child's attorney shall consult with each other regarding that issue.

400.205 Committed children; placement in private home, investigation, court order.

Sec. 5. In case a child has been committed to said institute, and a person in the same county has been found who is willing to take said child into his home under the same conditions as children placed out on agreement, or for adoption from the said institute, the court, county agent, probation officer or any other person representing the court or state in the placement of children may notify the superintendent of said institute, giving the name and the address of the party interested in taking the child into his home; whereupon the superintendent shall order an investigation be made, and if it appears that the home is a suitable one for said child, the child shall be placed and the order of the court entered on the records of the said institute. Upon entering the order of the court on the records of the said institute, the child shall be considered a ward of said institute and may be supervised, or adopted as are other wards of the said institute: Provided, In case the investigation indicates that the child is not eligible for admission to the said institute because of some mental or physical defect, or should not be offered for adoption because of a mental defect in its forbears, or being of unknown parentage and too young to determine its mental and physical development, the superintendent shall so notify the court with reasons thereof and further disposition shall be made by said court.

The expense of supervision and transportation of the child to the home shall be paid out of money appropriated to the institute, subject to partial reimbursement by the county liable as provided in this section.
