

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.30721 Establishment of normal inland lake level prohibited in certain cases.

Sec. 30721.

A normal level shall not be established for an inland lake in either of the following cases:

- (a) The inland lake is used as a reservoir for a municipal water supply system, unless a normal level determination is petitioned for by the governing body of the municipality.
- (b) The state has title, flowage rights, or easements to all riparian land surrounding the inland lake, unless a normal level determination is petitioned for by the department.
