NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT) Act 451 of 1994

324.31101 Definitions.

Sec. 31101.

As used in this part:

- (a) "Board" means a river management board created as the governing body of a river management district in accordance with this part.
 - (b) "Council" means a watershed council created under this part.
 - (c) "District" means a river management district established under this part.
- (d) "Level of stream flow" means a measure of water quantity including the amount of water passing a designated point over a designated period and the levels of lakes that are an integral part of the surface drainage system of the watershed.
- (e) "Local agencies" means local units of government, special districts, or other legally constituted agencies of local units of government exercising powers that may affect water resources.
- (f) "River management" means the control of river flow by the operation of dams, reservoirs, conduits, and other human-made devices in order to improve and expand the uses of the river for those who depend upon it for a variety of private and public benefits.
 - (g) "Watershed" means the drainage area of a stream.
