(EXCERPT)
Act 94 of 2008**

***** 125.1775 THIS SECTION IS REPEALED BY ACT 57 OF 2018 EFFECTIVE JANUARY 1, 2019 *****

125.1775 Intent to create and provide for operation of authority within water resource improvement district; resolution of intent; notice of public hearing; adoption of ordinance; filing; publication; alteration or amendment of boundaries; agreement with adjoining municipality.

Sec. 5. (1) If the governing body of a municipality determines that it is necessary for the best interests of the public to promote water resource improvement or access to inland lakes, or both, in a water resource improvement district, the governing body may, by resolution, declare its intention to create and provide for the operation of an authority within the boundaries of a water resource improvement district.

(2) In the resolution of intent, the governing body shall set a date for a public hearing on the adoption of a proposed ordinance creating the authority and designating the boundaries of the development area. Notice of the public hearing shall be published twice in a newspaper of general circulation in the municipality, not less than 20 or more than 40 days before the date of the hearing. Not less than 20 days before the hearing, the governing body proposing to create the authority shall also mail notice of the hearing to the property taxpayers of record in the proposed development area and to the governing body of each taxing jurisdiction levying taxes that would be subject to capture if the authority is established and a tax increment financing plan is approved. Failure of a property taxpayer to receive the notice does not invalidate these proceedings. Notice of the hearing shall be posted in at least 20 conspicuous and public places in the proposed development area not less than 20 days before the hearing. The notice shall state the date, time, and place of the hearing and shall describe the boundaries of the proposed development area. A citizen, taxpayer, or property owner of the municipality or an official from a taxing jurisdiction with millage that would be subject to capture has the right to be heard in regard to the establishment of the authority and the boundaries of the proposed development area. The governing body of the municipality shall not incorporate land into the development area not included in the description contained in the notice of public hearing, but it may eliminate described lands from the development area in the final determination of the boundaries.

(3) Not less than 60 days after the public hearing, if the governing body of the municipality intends to proceed with the establishment of the authority it shall adopt, by majority vote of its members, an ordinance establishing the authority and designating the boundaries of the development area within which the authority shall exercise its powers. The adoption of the ordinance is subject to any applicable statutory or charter provisions in respect to the approval or disapproval by the chief executive or other officer of the municipality and the adoption of an ordinance over his or her veto. This ordinance shall be filed with the secretary of state promptly after its adoption and shall be published at least once in a newspaper of general circulation in the municipality.

(4) The governing body of the municipality may alter or amend the boundaries of the development area to include or exclude lands from the development area in the same manner as adopting the ordinance creating the authority.

(5) A municipality that has created an authority may enter into an agreement with an adjoining municipality that has created an authority to jointly operate and administer those authorities under an interlocal agreement under the urban cooperation act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512.
