

THE TAX INCREMENT FINANCE AUTHORITY ACT (EXCERPT)
Act 450 of 1980

***** 125.1803 THIS SECTION IS REPEALED BY ACT 57 OF 2018 EFFECTIVE JANUARY 1, 2019 *****

125.1803 Resolution of intent to create and provide operation of authority; determinations; notice of public hearing; adoption, filing, and publication of resolution establishing authority and designating boundaries of authority district; alteration or amendment of boundaries; validity of proceedings establishing authority; action by library board or commission.

Sec. 3. (1) If the governing body of a municipality determines that it is in the best interests of the public to halt a decline in property values, increase property tax valuation, eliminate the causes of the decline in property values, and to promote growth in an area in the municipality, the governing body of that municipality may declare by resolution its intention to create and provide for the operation of an authority.

(2) In the resolution of intent, the governing body shall set a date for the holding of a public hearing on the adoption of a proposed resolution creating the authority and designating the boundaries of the authority district. Notice of the public hearing shall be published twice in a newspaper of general circulation in the municipality, not less than 20 nor more than 40 days before the date of the hearing. Notice shall also be mailed to the property taxpayers of record in the proposed authority district not less than 20 days before the hearing. Beginning June 1, 2005, the notice of hearing within the time frame described in this subsection shall be mailed by certified mail to the governing body of each taxing jurisdiction levying taxes that would be subject to capture if the authority is established and a tax increment financing plan is approved. Failure to receive the notice shall not invalidate these proceedings. The notice shall state the date, time, and place of the hearing, and shall describe the boundaries of the proposed authority district. At that hearing, a citizen, taxpayer, or property owner of the municipality has the right to be heard in regard to the establishment of the authority and the boundaries of the proposed authority district. The governing body of the municipality shall not incorporate land into the authority district not included in the description contained in the notice of public hearing, but it may eliminate described lands from the authority district in the final determination of the boundaries.

(3) After the public hearing, if the governing body intends to proceed with the establishment of the authority, it shall adopt, by majority vote of its members, a resolution establishing the authority and designating the boundaries of the authority district within which the authority shall exercise its powers. The adoption of the resolution is subject to any applicable statutory or charter provisions with respect to the approval or disapproval by the chief executive or other officer of the municipality and the adoption of a resolution over his or her veto. This resolution shall be filed with the secretary of state promptly after its adoption and shall be published at least once in a newspaper of general circulation in the municipality.

(4) The governing body may alter or amend the boundaries of the authority district to include or exclude lands from the authority district in accordance with the same requirements prescribed for adopting the resolution creating the authority.

(5) The validity of the proceedings establishing an authority shall be conclusive unless contested in a court of competent jurisdiction within 60 days after the last of the following takes place:

(a) Publication of the resolution as adopted.

(b) Filing of the resolution with the secretary of state.

(6) If a separate millage for public library purposes was levied before January 1, 2017, and all obligations and other protected obligations of the authority are paid, then the levy is exempt from capture under this act, unless the library board or commission allows all or a portion of its taxes levied to be included as tax increment revenues and subject to capture under this act under the terms of a written agreement between the library board or commission and the authority. The written agreement shall be filed with the clerk of the municipality. However, if a separate millage for public library purposes was levied before January 1, 2017, and the authority alters or amends the boundaries of the authority district or extends the duration of the existing finance plan, then the library board or commission may, not later than 60 days after a public hearing is held under this subsection, exempt all or a portion of its taxes from capture by adopting a resolution to that effect and filing a copy with the clerk of the municipality that created the authority. For ad valorem property taxes or specific local taxes attributable to those ad valorem property taxes levied for a separate millage for public library purposes approved by the electors after December 31, 2016, a library board or commission may allow all or a portion of its taxes levied to be included as tax increment revenues and subject to capture under this act under the terms of a written agreement between the library board or commission and the authority.

The written agreement shall be filed with the clerk of the municipality. However, if the library was created under section 1 or 10a of 1877 PA 164, MCL 397.201 and 397.210a, or established under 1869 LA 233, then any action of the library board or commission under this subsection shall have the concurrence of the chief executive officer of the city that created the library to be effective.
