

COST-EFFECTIVE GOVERNMENTAL ENERGY USE ACT (EXCERPT)
Act 625 of 2012

18.1718 Annual report.

Sec. 8.

The department shall develop an annual report of total facility capital liability and total dollar amount of completed and substantially completed energy performance contract work. Prior to December 31 of each calendar year, the department shall present this report to the members of the house appropriations committee and the senate appropriations committee.
