\*\*\*\*\*

**208.39c Rehabilitation of historic resource; tax credit; plan; certification; report; repeal of act for tax years beginning after December 31, 2007; effect; definitions.**

Sec. 39c. (1) A qualified taxpayer with a rehabilitation plan certified after December 31, 1998 may credit against the tax imposed by this act the amount determined pursuant to subsection (2) for the qualified expenditures for the rehabilitation of a historic resource pursuant to the rehabilitation plan in the year in which the certification of completed rehabilitation of the historic resource is issued provided that the certification of completed rehabilitation was issued not more than 5 years after the rehabilitation plan was certified by the Michigan historical center.

(2) The credit allowed under this section shall be 25% of the qualified expenditures that are eligible for the credit under section 47(a)(2) of the internal revenue code if the taxpayer is eligible for the credit under section 47(a)(2) of the internal revenue code or, if the taxpayer is not eligible for the credit under section 47(a)(2) of the internal revenue code, 25% of the qualified expenditures that would qualify under section 47(a)(2) of the internal revenue code except that the expenditures are made to a historic resource that is not eligible for the credit under section 47(a)(2) of the internal revenue code, subject to both of the following:

(a) A taxpayer with qualified expenditures that are eligible for the credit under section 47(a)(2) of the internal revenue code may not claim a credit under this section for those qualified expenditures unless the taxpayer has claimed and received a credit for those qualified expenditures under section 47(a)(2) of the internal revenue code.

(b) A credit under this section shall be reduced by the amount of a credit received by the taxpayer for the same qualified expenditures under section 47(a)(2) of the internal revenue code.

(3) To be eligible for the credit under this section, the taxpayer shall apply to and receive from the Michigan historical center certification that the historic significance, the rehabilitation plan, and the completed rehabilitation of the historic resource meet the criteria under subsection (6) and either of the following:

(a) All of the following criteria:

(i) The historic resource contributes to the significance of the historic district in which it is located.

(ii) Both the rehabilitation plan and completed rehabilitation of the historic resource meet the federal secretary of the interior's standards for rehabilitation and guidelines for rehabilitating historic buildings, 36 CFR part 67.

(iii) All rehabilitation work has been done to or within the walls, boundaries, or structures of the historic resource or to historic resources located within the property boundaries of the property.

(b) The taxpayer has received certification from the national park service that the historic resource's significance, the rehabilitation plan, and the completed rehabilitation qualify for the credit allowed under section 47(a)(2) of the internal revenue code.

(4) If a qualified taxpayer is eligible for the credit allowed under section 47(a)(2) of the internal revenue code, the qualified taxpayer shall file for certification with the center to qualify for the credit allowed under section 47(a)(2) of the internal revenue code. If the qualified taxpayer has previously filed for certification with the center to qualify for the credit allowed under section 47(a)(2) of the internal revenue code, additional filing for the credit allowed under this section is not required.

(5) The center may inspect a historic resource at any time during the rehabilitation process and may revoke certification of completed rehabilitation if the rehabilitation was not undertaken as represented in the rehabilitation plan or if unapproved alterations to the completed rehabilitation are made during the 5 years after the tax year in which the credit was claimed. The center shall promptly notify the department of a revocation.

(6) Qualified expenditures for the rehabilitation of a historic resource may be used to calculate the credit under this section if the historic resource meets 1 of the criteria listed in subdivision (a) and 1 of the criteria listed in subdivision (b):

(a) The resource is 1 of the following during the tax year in which a credit under this section is claimed for those qualified expenditures:

(i) Individually listed on the national register of historic places or state register of historic sites.

(ii) A contributing resource located within a historic district listed on the national register of historic places or the state register of historic sites.

(iii) A contributing resource located within a historic district designated by a local unit pursuant to an ordinance adopted under the local historic districts act, 1970 PA 169, MCL 399.201 to 399.215.

(b) The resource meets 1 of the following criteria during the tax year in which a credit under this section is claimed for those qualified expenditures:

(i) The historic resource is located in a designated historic district in a local unit of government with an existing ordinance under the local historic districts act, 1970 PA 169, MCL 399.201 to 399.215.

(ii) The historic resource is located in an incorporated local unit of government that does not have an ordinance under the local historic districts act, 1970 PA 169, MCL 399.201 to 399.215, and has a population of less than 5,000.

(iii) The historic resource is located in an unincorporated local unit of government.

(iv) The historic resource is located in an incorporated local unit of government that does not have an ordinance under the local historic districts act, 1970 PA 169, MCL 399.201 to 399.215, and is located within the boundaries of an association that has been chartered under 1889 PA 39, MCL 455.51 to 455.72.

(7) If a qualified taxpayer is a partnership, limited liability company, or subchapter S corporation, the qualified taxpayer may assign all or any portion of a credit allowed under this section to its partners, members, or shareholders, based on the partner's, member's, or shareholder's proportionate share of ownership or based on an alternative method approved by the department. A credit assignment under this subsection is irrevocable and shall be made in the tax year in which a certificate of completed rehabilitation is issued. A qualified taxpayer may claim a portion of a credit and assign the remaining credit amount. A partner, member, or shareholder that is an assignee shall not subsequently assign a credit or any portion of a credit assigned to the partner, member, or shareholder under this subsection. A credit assignment under this subsection shall be made on a form prescribed by the department. The qualified taxpayer and assignees shall send a copy of the completed assignment form to the department in the tax year in which the assignment is made and attach a copy of the completed assignment form to the annual return required to be filed under this act for that tax year.

(8) If the credit allowed under this section for the tax year and any unused carryforward of the credit allowed by this section exceed the taxpayer's tax liability for the tax year, that portion that exceeds the tax liability for the tax year shall not be refunded but may be carried forward to offset tax liability in subsequent tax years for 10 years or until used up, whichever occurs first.

(9) If the taxpayer sells a historic resource for which a credit under this section was claimed less than 5 years after the year in which the credit was claimed, the following percentage of the credit amount previously claimed relative to that historic resource shall be added back to the tax liability of the taxpayer in the year of the sale:

(a) If the sale is less than 1 year after the year in which the credit was claimed, 100%.

(b) If the sale is at least 1 year but less than 2 years after the year in which the credit was claimed, 80%.

(c) If the sale is at least 2 years but less than 3 years after the year in which the credit was claimed, 60%.

(f) If the sale is 5 years or more after the year in which the credit was claimed, an addback to the taxpayer's tax liability shall not be made.

(10) If a certification of completed rehabilitation is revoked under subsection (5) less than 5 years after the year in which a credit was claimed, the following percentage of the credit amount previously claimed relative to that historic resource shall be added back to the tax liability of the taxpayer in the year of the revocation:

(a) If the revocation is less than 1 year after the year in which the credit was claimed, 100%.

(b) If the revocation is at least 1 year but less than 2 years after the year in which the credit was claimed, 80%.

(c) If the revocation is at least 2 years but less than 3 years after the year in which the credit was claimed, 60%.

(d) If the revocation is at least 3 years but less than 4 years after the year in which the credit was claimed, 40%.

(e) If the revocation is at least 4 years but less than 5 years after the year in which the credit was claimed, 20%.

(f) If the revocation is 5 years or more after the year in which the credit was claimed, an addback to the taxpayer's tax liability shall not be made.

(11) The department of history, arts, and libraries through the Michigan historical center may impose a fee to cover the administrative cost of implementing the program under this section.

(12) The qualified taxpayer shall attach all of the following to the qualified taxpayer's annual return required under this act or under the income tax act of 1967, 1967 PA 281, MCL 206.1 to 206.532, if applicable, on which the credit is claimed:

(a) Certification of completed rehabilitation.

(b) Certification of historic significance related to the historic resource and the qualified expenditures used to claim a credit under this section.

(c) A completed assignment form if the qualified taxpayer has assigned any portion of a credit allowed under this section to a partner, member, or shareholder, or if the taxpayer is an assignee of any portion of a credit allowed under this section.

(13) The department of history, arts, and libraries shall promulgate rules to implement this section pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(15) The department of history, arts, and libraries through the Michigan historical center shall report all of the following to the legislature annually for the immediately preceding state fiscal year:

(a) The fee schedule used by the center and the total amount of fees collected.

(b) A description of each rehabilitation project certified.

(c) The location of each new and ongoing rehabilitation project.

(16) If this act is repealed for tax years beginning after December 31, 2007, all of the following apply:

(a) Except as otherwise provided in this subsection, a qualified taxpayer that has a rehabilitation plan certified before January 1, 2007 for the rehabilitation of a historic resource for which a certification of completed rehabilitation has been issued after the end of the taxpayer's last tax year but before January 1, 2010 or an assignee may claim the historic preservation credit amount for the year in which the certification of completed rehabilitation is issued against the taxpayer's or assignee's tax liability under this act on the taxpayer's or assignee's timely filed original or amended annual return filed under this act, for the taxpayer's or assignee's last tax year.

(b) A credit under this subsection shall be taken after all other credits the taxpayer claims for the tax year under this act and all of the following apply:

(i) The historic preservation credit amount that the taxpayer or assignee would have been allowed to claim for historic rehabilitation completed in 2008 after the end of the taxpayer's or assignee's last tax year or for the rehabilitation of a historic resource completed in 2009 is in addition to the historic preservation credit amount that the taxpayer or assignee is allowed to claim for the rehabilitation of a historic resource completed before the end of the taxpayer's or assignee's last tax year.

(ii) The historic preservation credit amount that the taxpayer or assignee is allowed to claim for the rehabilitation of a historic resource completed in 2008 after the end of the taxpayer's or assignee's last tax year or for the rehabilitation of a historic resource completed in 2009 on the taxpayer's or assignee's annual return for the taxpayer's or assignee's last tax year or the sum of both historic preservation credit amounts shall not exceed the taxpayer's or assignee's tax liability for the taxpayer's or assignee's last tax year after all other credits for that tax year except the taxpayer's or assignee's historic preservation credit for the taxpayer's or assignee's last tax year have been taken.

(iii) The historic preservation credit amount that the taxpayer or assignee is allowed to claim for its last tax year under this subsection shall not exceed the sum of the amount that the taxpayer or assignee would have been allowed to claim for the rehabilitation of a historic resource completed in 2008 after the end of the taxpayer's or assignee's last tax year plus the amount that the taxpayer or assignee would have been allowed to claim for the rehabilitation of a historic resource completed in 2009.

(c) If the amount of the total of all historic preservation credit amounts that may be claimed by the taxpayer or assignee under this subsection exceeds the taxpayer's or assignee's tax liability for the taxpayer's or assignee's last tax year, the amount by which the total of all historic preservation credit amounts exceeds the taxpayer's or assignee's tax liability for the taxpayer's or assignee's last tax year shall be refunded.

(d) A historic preservation credit under this subsection shall not be claimed before a certification of completed rehabilitation is issued for the rehabilitation of a historic resource on which the historic preservation credit is based.

(e) This subsection does not apply to any amount the taxpayer or assignee may claim for the same rehabilitation plan for a tax year that begins after December 31, 2007 under any other tax act.
