Sec. 222. (1) Except as otherwise provided in this act, the secretary of state shall issue a registration certificate when registering a vehicle upon receipt of the required fees. Except as otherwise provided in this act, the secretary of state shall issue a certificate of title, unless a security interest is entered electronically under section 238, upon receipt of the required fees. The secretary of state shall issue a flood, rebuilt, rebuilt salvage, salvage, or scrap certificate of title for a vehicle brought into this state from another state or jurisdiction that has a flood, rebuilt, salvage, or scrap certificate of title issued by that other state or jurisdiction.

(2) The secretary of state shall deliver the registration certificate to the owner. The certificate shall contain on its face the date issued, the name and address of the owner, the registration number assigned to the vehicle, and a description of the vehicle as determined by the secretary of state.

(3) The certificate of title shall be manufactured in a manner to prohibit as nearly as possible the ability to reproduce, alter, counterfeit, forge, or duplicate the certificate of title without ready detection. The certificate shall contain all of the following on its face:

(a) The identical information required on the face of the registration certificate.

(b) If the vehicle is a motor vehicle, the number of miles, not including the tenths of a mile, registered on the vehicle's odometer at the time of transfer.

(c) Whether the vehicle is to be used or has been used as a taxi, as a police vehicle, or by a political subdivision of this state, unless the vehicle is owned by a dealer and loaned or leased to a political subdivision of this state for use as a driver education vehicle.

(d) Whether the vehicle is a salvage vehicle.

(e) If the vehicle has previously been issued a rebuilt certificate of title from this state or a comparable certificate of title from any other state or jurisdiction.

(f) Whether the vehicle has been issued a scrap certificate of title from this state or a comparable certificate of title from any other state or jurisdiction.

(g) Whether the vehicle is a flood vehicle or has previously been issued a flood certificate of title from this state or any other state or jurisdiction.

(i) A statement of the owner's title and of all security interests in the vehicle or in an accessory on the vehicle as set forth in the application.

(j) The date that the application was filed.

(k) Any other information that the secretary of state may require.

(4) The certificate of title shall contain a form for assignment of title or interest and warranty of title by the owner with space for the notation of a security interest in the vehicle and in an accessory on the vehicle, which at the time of a transfer shall be certified and signed, and space for a written odometer mileage statement that is required upon transfer under section 233a. The certificate of title shall include a description of the proper procedure for transferring the title of a motor vehicle and for maintaining records of that transfer as provided under this act, including, but not limited to, the electronic lien title system established under section 241. The certificate of title may also contain other forms that the secretary of state considers necessary to facilitate the effective administration of this act. The certificate shall bear the coat of arms of this state.

(5) The secretary of state shall mail or deliver the certificate of title to the owner or other person as the owner may direct in a separate instrument, in a form prescribed by the secretary of state. However, as provided under section 238, the secretary of state is not required to issue a title to the owner of a vehicle if the title is subject to a security interest.

(6) A person who intentionally reproduces, alters, counterfeits, forges, or duplicates a certificate of title or a document releasing a security interest or who uses a reproduced, altered, counterfeited, forged, or duplicated certificate of title or document releasing a security interest shall be punished as follows:

(a) If the intent of reproduction, alteration, counterfeiting, forging, duplication, or use was to commit or aid

in the commission of an offense punishable by imprisonment for 1 or more years, the person committing the reproduction, alteration, counterfeiting, forging, duplication, or use is guilty of a misdemeanor, punishable by imprisonment for a period equal to that which could be imposed for the commission of the offense the person had the intent to aid or commit. The court may also assess a fine of not more than \$10,000.00 against the person.

(b) If the intent of the reproduction, alteration, counterfeiting, forging, duplication, or use was to commit or aid in the commission of an offense punishable by imprisonment for not more than 1 year, the person committing the reproduction, alteration, counterfeiting, forging, duplication, or use is guilty of a misdemeanor, punishable by imprisonment for not more than 1 year, or a fine of not more than \$1,000.00, or both.

(7) The certificate of title for a police vehicle, a vehicle owned by a political subdivision of this state, a salvage vehicle, a rebuilt vehicle, a scrap vehicle, or a flood vehicle shall be different in color from the certificate of title for all other vehicles unless the vehicle is loaned or leased to a political subdivision of this state for use as a driver education vehicle.

(8) A scrap certificate of title shall contain a legend that the vehicle is not to be titled or registered and is to be used for parts or scrap metal only.

(9) A certificate of title shall not be issued for a vehicle that has had a salvage certificate of title unless the certificate of title contains the legend "rebuilt salvage".
