Sec. 3119. (1) Except as otherwise provided for in subsection (2), upon submission of an application, an applicant for a food service establishment license shall pay to the local health department having jurisdiction the required fees authorized by section 2444 of the public health code, MCL 333.2444, and an additional state license fee as follows:

(2) When licensing a special transitory food unit, a local health department shall impose a fee of \$135.00, which includes the additional state license fee imposed under subsection (1) unless exempted under subsection (4) or (5).

(3) The state license fee required under subsection (1) shall be collected by the local health department at the time the license application is submitted. The state license fee is due and payable by the local health department to the state within 60 days after the fee is collected.

(4) A charitable, religious, fraternal, service, civic, or other nonprofit organization that has tax-exempt status under section 501(c)(3) of the internal revenue code, 26 USC 501, is exempt from paying additional state license fees imposed under this section. This subsection does not restrict the ability of the governing board of a local health department or authority to fix, revoke, or amend fees as further authorized and described under section 2444 of the public health code, MCL 333.2444. An organization seeking an exemption under this subsection shall furnish to the department or a local health department evidence of its tax-exempt status.

(6) The department shall adjust on an annual basis the fees prescribed by subsections (1) and (2) by an amount determined by the state treasurer to reflect the cumulative annual percentage change in the Detroit consumer price index but not to exceed 5%. As used in this subsection, "Detroit consumer price index" means the most comprehensive index of consumer prices available for the Detroit area from the Bureau of Labor Statistics of the United States Department of Labor or its successor. The adjustment shall be rounded to the nearest dollar to set each year's fee under this subsection, but the absolute value shall be carried over and used to calculate the next annual adjustment.

(7) The local health department shall forward the license applications to the department with appropriate recommendations.
