RIGHT TO FOREST ACT (EXCERPT) Act 676 of 2002

320.2034 Forestry operations as public or private nuisance.

Sec. 4.

- (1) Forestry operations shall not be found to be a public or private nuisance if the forestry operations alleged to be a nuisance conform to generally accepted forestry management practices. Generally accepted forestry management practices shall be reviewed annually by the commission and revised as considered necessary.
- (2) Forestry operations voluntarily using sustainable forestry practices as approved by the commission shall not be found to be a public or private nuisance if the forestry operations existed before a change in the land use or occupancy of land within 1 mile of the boundaries of the forestland, and if before that change in land use or occupancy, the forestry operations would not have been a nuisance.
- (3) Forestry operations that are in conformance with generally accepted forestry management practices shall not be found to be a public or private nuisance as a result of any of the following:
 - (a) A change in ownership or size.
 - (b) Cessation or interruption of forestry operations.
 - (c) Enrollment in governmental forestry or conservation programs.
 - (d) Adoption of new forestry technology.
- (4) As used in this section, a public or private nuisance includes, but is not limited to, allegations of nuisance based on any of the following:
 - (a) Visual changes due to the removal of vegetation or timber.
 - (b) Noise from forestry equipment used in normal, generally accepted forestry management practices.
 - (c) Removal of vegetation or timber on a forest adjoining the property of another landowner.
- (d) The use of chemicals normally utilized in forestry operations, and applied under generally accepted forestry management practices.
