

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.31103 Watershed council; membership; voting rights; term; river management board.

Sec. 31103.

(1) The watershed council shall be composed of representatives of local units of government within the watershed who are appointed to and maintain membership in the council in the following manner:

(a) Each local unit of government using the river for water supply or waste disposal shall appoint 1 representative for each 20,000 population or fraction thereof. The governing body of each local unit of government shall determine the method by which its representatives are selected.

(b) Each county having 15% or more of its area in the watershed shall appoint 1 representative, and 1 additional representative for each 20,000 population or fraction thereof, which aggregate total shall be computed from the population of eligible townships not otherwise represented. These townships shall be eligible under this section if they have 15% or more of their respective areas in the basin. The methods by which the county representatives are selected shall be determined by the county board of commissioners.

(c) Any local agency wholly or partly within the basin may appoint a representative to the council upon a finding by the council that the agency is so affected by or concerned with the use and development of water resources in the basin as to warrant representation. If any township is represented under this subdivision, its population shall not be counted in determining the eligible total representatives of its county.

(2) Representatives on the watershed council shall be appointed for 2 years, but are subject to replacement at the pleasure of the appointing authority. A representative is not eligible to vote on the council unless the local government he or she represents has met its financial obligations to the council.

(3) Representatives to the watershed council may also represent their local units of government, if so designated by their local units of government, on river management boards established in accordance with this part.
