(2) The task force shall direct the board to grant interim licensure to an unlicensed individual who was employed as a physician's assistant on December 29, 1977, to be effective until the task force formally issues or denies a license to the physician's assistant pursuant to this part and the rules promulgated under this part. The department shall issue a certificate of temporary licensure within 15 days after the board grants the license.

(4) A physician's assistant licensed under this part shall publicly display the current certificate of licensure, temporary license, or renewal permanently in that individual's place of practice, if feasible, and shall have available for inspection a pocket card issued by the department containing the essential information of the license.
