

MICHIGAN MEDICAL MARIHUANA ACT (EXCERPT)
Initiated Law 1 of 2008

333.26424b Transporting or possessing marihuana-infused product; violation; fine.

Sec. 4b. (1) Except as provided in subsections (2) to (4), a qualifying patient or primary caregiver shall not transport or possess a marihuana-infused product in or upon a motor vehicle.

(2) This section does not prohibit a qualifying patient from transporting or possessing a marihuana-infused product in or upon a motor vehicle if the marihuana-infused product is in a sealed and labeled package that is carried in the trunk of the vehicle or, if the vehicle does not have a trunk, is carried so as not to be readily accessible from the interior of the vehicle. The label must state the weight of the marihuana-infused product in ounces, name of the manufacturer, date of manufacture, name of the person from whom the marihuana-infused product was received, and date of receipt.

(3) This section does not prohibit a primary caregiver from transporting or possessing a marihuana-infused product in or upon a motor vehicle if the marihuana-infused product is accompanied by an accurate marihuana transportation manifest and enclosed in a case carried in the trunk of the vehicle or, if the vehicle does not have a trunk, is enclosed in a case and carried so as not to be readily accessible from the interior of the vehicle. The manifest form must state the weight of each marihuana-infused product in ounces, name and address of the manufacturer, date of manufacture, destination name and address, date and time of departure, estimated date and time of arrival, and, if applicable, name and address of the person from whom the product was received and date of receipt.

(4) This section does not prohibit a primary caregiver from transporting or possessing a marihuana-infused product in or upon a motor vehicle for the use of his or her child, spouse, or parent who is a qualifying patient if the marihuana-infused product is in a sealed and labeled package that is carried in the trunk of the vehicle or, if the vehicle does not have a trunk, is carried so as not to be readily accessible from the interior of the vehicle. The label must state the weight of the marihuana-infused product in ounces, name of the manufacturer, date of manufacture, name of the qualifying patient, and, if applicable, name of the person from whom the marihuana-infused product was received and date of receipt.

(5) For purposes of determining compliance with quantity limitations under section 4, there is a rebuttable presumption that the weight of a marihuana-infused product listed on its package label or on a marihuana transportation manifest is accurate.

(6) A qualifying patient or primary caregiver who violates this section is responsible for a civil fine of not more than \$250.00.

History: Add. 2016, Act 283, Eff. Dec. 20, 2016.

Compiler's note: Enacting section 2 of Act 283 of 2016 provides:

"Enacting section 2. This amendatory act clarifies ambiguities in the law in accordance with the original intent of the people, as expressed in section 2(b) of the Michigan medical marihuana act, 2008 IL 1, MCL 333.26422:

"(b) Data from the Federal Bureau of Investigation Uniform Crime Reports and the Compendium of Federal Justice Statistics show that approximately 99 out of every 100 marihuana arrests in the United States are made under state law, rather than under federal law. *Consequently, changing state law will have the practical effect of protecting from arrest the vast majority of seriously ill people who have a medical need to use marihuana.*". [Emphasis added.]

This amendatory act is curative and applies retroactively as to the following: clarifying the quantities and forms of marihuana for which a person is protected from arrest, precluding an interpretation of "weight" as aggregate weight, and excluding an added inactive substrate component of a preparation in determining the amount of marihuana, medical marihuana, or usable marihuana that constitutes an offense. Retroactive application of this amendatory act does not create a cause of action against a law enforcement officer or any other state or local governmental officer, employee, department, or agency that enforced this act under a good-faith interpretation of its provisions at the time of enforcement."
