Sec. 414.

(1) A savings bank possessing a capital and surplus of \$1,000,000.00 or more may file application with the commissioner for permission to exercise, upon conditions and under such rules, orders, or declaratory rulings as may be prescribed by the commissioner, any of the following powers:

(a) To establish branches in foreign countries for the furtherance of foreign commerce of the United States and to act, if required to do so, as fiscal agents of the United States.

(b) To invest an amount not exceeding in the aggregate 10% of its capital and surplus if it is a stock savings bank, or 10% of its total capital if it is a mutual savings bank in the stock of 1 or more banking organizations or corporations chartered or incorporated under the laws of the United States or of any state, territory, or protectorate of the United States, and principally engaged in international or foreign banking, or banking either directly or through the agency, ownership, or control of foreign banks.

(c) To acquire and hold, directly or indirectly, stock or other evidences of ownership in 1 or more foreign banks that are not engaged, directly or indirectly, in any activity in the United States except as, in the judgment of the commissioner, is incidental to the international or foreign business of the foreign bank, and to make loans or extensions of credit to or for the account of the foreign bank in the manner and within the limits prescribed by the commissioner by order or declaratory ruling.

(2) An application under this section shall specify the name and capital and surplus of the bank filing it, the powers applied for and the places where the banking operations are to be carried on. The commissioner may approve or reject the application in whole or in part if for any reason the granting of the application is considered inexpedient and from time to time may increase or decrease the number of places where the banking operations may be carried on.

(3) Every savings bank operating foreign branches under this section shall furnish information concerning the condition of the branches to the commissioner upon demand, and every savings bank investing in capital stock of banking organizations or corporations as provided under this section shall furnish information concerning the condition of the banking organizations or corporations to the commissioner upon demand. The commissioner may order special examinations of the branches, banking organizations, or corporations at such times as he or she deems best.

(4) Before a savings bank is permitted to purchase stock in a banking organization or corporation under this section, the banking organization or corporation shall enter into an agreement or undertaking with the commissioner to restrict their operations or conduct their businesses in a manner or under such limitations and restrictions as the commissioner may prescribe. If at any time the commissioner has ascertained that the orders or rulings prescribed by him or her are not being complied with, the commissioner may institute an investigation of the matter and subpoena witnesses and documents and administer oaths. If the investigation results in establishing the failure of the banking organization or corporation in question, or of the savings bank which is a stockholder, to comply with the rules of the commissioner, the commissioner may order the savings bank to dispose of stockholdings in the banking organization or corporation.

(5) Orders or rulings issued by the commissioner, in addition to regulating powers which a foreign branch may exercise under other provisions of law, may authorize a foreign branch, subject to such conditions and requirements as the orders or rulings prescribe, to exercise any further powers as may be usual in connection with the transaction of the business of banking in the places where the foreign branch transacts business. The orders or rulings shall not authorize a foreign branch to engage in the general business of producing, distributing, buying, or selling goods, wares, or merchandise. Except to such limited extent as the commissioner may deem to be necessary with respect to securities issued by any foreign government or any department, district, province, county, possession, or other similar governmental organization or subdivision of a foreign government, and any agency or instrumentality of any foreign government or of any organization or subdivision, the orders or rulings shall not authorize a foreign branch to engage or participate, directly or indirectly, in the business of underwriting, selling, or distributing securities.

Sec. 415.

(1) Notwithstanding section 1105 of the uniform commercial code, Act No. 174 of the Public Acts of 1962, being section 440.1105 of the Michigan Compiled Laws, a savings bank doing business in this state, that has 1 or more branch offices in any foreign country shall be liable for contracts to be performed at any branch offices and for deposits to be repaid at the branch offices to no greater extent than a savings bank, banking corporation, or other organization or association for banking purposes organized and existing under the laws of the foreign country would be liable under its laws. The laws of the foreign country for the purpose of this section shall be considered to include all acts, decrees, regulations, and orders promulgated or enforced by an authority asserting governmental, military, or police power of any kind at the place where any branch office is located, whether or not the dominant authority is recognized as a de facto or de jure government.

(2) Notwithstanding section 1105 of Act No. 174 of the Public Acts of 1962, if by action of a dominant authority that is not recognized by the United States as the de jure government of the foreign territory concerned, any property situated in or any amount to be received in the foreign territory and carried as an asset of any branch office of the savings bank in the foreign territory is seized, destroyed, or canceled, then the liability of the savings bank for any deposit received and to be repaid by it, and for any contract made and to be performed by it, at any branch office in the foreign territory shall be reduced pro tanto by the proportion that the value, as shown by the books or other records of the savings bank at the time of the seizure, destruction, or cancellation of the assets bears to the aggregate of all the deposit and contract liabilities of the branch offices of the savings bank in the foreign territory, as shown at such time by the books or other records of the savings bank.

(1) A savings bank may become the owner or lessor of personal property for the purpose of leasing the property or obtaining an assignment of a lessor's interest in a lease of the property or permitting the use of the property, and may incur additional obligations as may be incident to becoming an owner or lessor of such property.

When due, the taxes shall constitute a debt due from the lessee or user to the unit of government for which the taxes were assessed.

(4) A savings bank shall not acquire personal property under this section if the acquisition results in an inventory of personal property not leased in excess of 20% of the savings bank's capital and surplus.
