**Act 252 of 2020**

\*\*\*\*\* 460.1353 THIS SECTION IS REPEALED BY ACT 252 of 2020 EFFECTIVE MARCH 31, 2021: See 460.1356 \*\*\*\*\*

**460.1353 Public water supply; shut off prohibited for nonpayment; restoration required.**

Sec. 3. (1) A public water supply shall not shut off water service to any occupied residence due to nonpayment. A public water supply must restore water service to any occupied residence where water service has been shut off due to nonpayment as long as the public water service does not have reason to believe that reconnection would create a risk to the public health due to an improper cross connection. To facilitate the restoration of water service, a public water supply must immediately make best efforts to determine those occupied residences within their service areas that do not have water service.

(2) If a public water supply determines that any occupied residence within its service area has had water shut off for any reason other than nonpayment, or that reconnection would create a risk to public health due to an improper cross connection, the public water supply must make best efforts to remedy these conditions and restore water service to those occupied residences as soon as possible.
