

DEATH OR INJURIES FROM FIREARMS (EXCERPT)
Act 10 of 1952

752.844 Reports; availability for use.

Sec. 4.

Reports required to be filed under the provisions of this act shall not be available for use in any way in any court action, civil or criminal, and shall not be open to general public inspection, but shall be for the purpose of furnishing statistical information as to the number and cause of such accidents. This act shall be construed to supplement the law of this state with respect to evidence and its admissibility.

History: 1952, Act 10, Eff. Sept. 18, 1952
