

THE STATE SCHOOL AID ACT OF 1979 (EXCERPT)

Act 94 of 1979

ARTICLE 6

388.1661 Repealed. 1993, Act 336, Eff. Oct. 1, 1994.

Compiler's note: The repealed section pertained to reimbursement for vocational-technical education programs.

388.1661a Career and technical education programs; added cost; reimbursement for local vocational administration, shared time vocational administration, and career education planning district vocational-technical administration.

Sec. 61a. (1) From the appropriation in section 11, there is allocated an amount not to exceed \$26,611,300.00 for 2010-2011 to reimburse on an added cost basis districts, except for a district that served as the fiscal agent for a vocational education consortium in the 1993-94 school year, and secondary area vocational-technical education centers for secondary-level career and technical education programs according to rules approved by the superintendent. Applications for participation in the programs shall be submitted in the form prescribed by the department. The department shall determine the added cost for each career and technical education program area. The allocation of added cost funds shall be based on the type of career and technical education programs provided, the number of pupils enrolled, and the length of the training period provided, and shall not exceed 75% of the added cost of any program. With the approval of the department, the board of a district maintaining a secondary career and technical education program may offer the program for the period from the close of the school year until September 1. The program shall use existing facilities and shall be operated as prescribed by rules promulgated by the superintendent.

(2) Except for a district that served as the fiscal agent for a vocational education consortium in the 1993-94 school year, districts and intermediate districts shall be reimbursed for local career and technical education administration, shared time career and technical education administration, and career education planning district career and technical education administration. The definition of what constitutes administration and reimbursement shall be pursuant to guidelines adopted by the superintendent. Not more than \$800,000.00 of the allocation in subsection (1) shall be distributed under this subsection.

Compiler's note: In the first sentence of subsection (1), as amended by Act 121 of 2001, the phrase “and for 2002-2003” was vetoed by the governor September 28, 2001.

Enacting section 3 of Act 521 of 2002 provides:

“Enacting section 3. This amendatory act does not take effect unless the tax on cigarettes under the tobacco products tax act, 1993 PA 327, MCL 205.421 to 205.436, is increased by 50 cents or more per pack of cigarettes (25 mills per cigarette) effective on or before September 30, 2002 and the revenue from not less than 20 cents per pack of cigarettes (10 mills per cigarette) of that increase is dedicated by law for deposit into the state school aid fund established by section 11 of article IX of the state constitution of 1963.”

For legislation increasing tax on cigarettes and dedicating a portion of increased revenue to state school aid fund, see 2002 PA 503, Imd. Eff. July 18, 2002.

Enacting section 1 of Act 351 of 2004 provides:

“Enacting section 1. In accordance with section 30 of article IX of the state constitution of 1963, total state spending in this amendatory act from state sources for fiscal year 2004-2005 is estimated at \$11,173,900,000.00 and state appropriations to be paid to local units of government for fiscal year 2004-2005 are estimated at \$11,113,650,400.00.”

Enacting section 1 of 2005 PA 155 provides:

“Enacting section 1. In accordance with section 30 of article I of the state constitution of 1963, total state spending in this amendatory act and in House Bill No. 4831 of the 93rd Legislature from state sources for fiscal year 2005-2006 is estimated at \$11,364,814,000.00 and state appropriations to be paid to local units of government for fiscal year 2005-2006 are estimated at \$11,341,913,100.00.”

Enacting section 1 of Act 342 of 2006 provides:

“Enacting section 1. (1) In accordance with section 30 of article I of the state constitution of 1963, total state spending in this amendatory act from state sources for fiscal year 2006-2007 is estimated at \$11,682,508,200.00 and state appropriations to be paid to local units of government for fiscal year 2006-2007 are estimated at \$11,536,597,200.00.

(2) In accordance with section 30 of article I of the state constitution of 1963, total state spending from state sources for fiscal year 2005-2006 in this amendatory act and 2005 PA 155 is estimated at \$11,308,027,200.00 and state appropriations to be paid to local units of government for fiscal year 2004-2005 are estimated at \$11,285,376,300.00.”

For transfer of certain powers and duties vested in the department of career development or its director, relating to powers and duties of state board of education or superintendent of public instruction to the department of labor and economic growth, see E.R.O. No. 2003-1, compiled at MCL 445.2011.

For transfer of powers of department of labor and economic growth regarding career and technical education program for secondary

students to department of education by type II transfer, see E.R.O. No. 2007-1, compiled at MCL 388.998.

Enacting section 1 of Act 137 of 2007 provides:

"Enacting section 1. In accordance with section 30 of article I of the state constitution of 1963, total state spending in this amendatory act from state sources for fiscal year 2007-2008 is estimated at \$11,527,973,800.00 and state appropriations to be paid to local units of government for fiscal year 2007-2008 are estimated at \$11,458,493,300.00."

Enacting section 1 of Act 268 of 2008 provides:

"Enacting section 1. In accordance with section 30 of article I of the state constitution of 1963, total state spending in this amendatory act from state sources for fiscal year 2008-2009 is estimated at \$11,816,898,200.00 and state appropriations to be paid to local units of government for fiscal year 2008-2009 are estimated at \$11,602,465,900.00."

Subsection (3), as amended by Act 121 of 2009, was vetoed by the governor on October 19, 2009.

Enacting section 1 of Act 121 of 2009 provides:

"Enacting section 1. In accordance with section 30 of article I of the state constitution of 1963, total state spending in this amendatory act from state sources for fiscal year 2009-2010 is estimated at \$10,825,754,100.00 and state appropriations to be paid to local units of government for fiscal year 2009-2010 are estimated at \$10,718,801,700.00."

Sec. 62. (1) For the purposes of this section:

(a) "Membership" means for a particular fiscal year the total membership for the immediately preceding fiscal year of the intermediate district and the districts constituent to the intermediate district or the total membership for the immediately preceding fiscal year of the area vocational-technical program.

(b) "Millage levied" means the millage levied for area vocational-technical education pursuant to sections 681 to 690 of the revised school code, MCL 380.681 to 380.690, including a levy for debt service obligations incurred as the result of borrowing for capital outlay projects and in meeting capital projects fund requirements of area vocational-technical education.

(c) "Taxable value" means the total taxable value of the districts constituent to an intermediate district or area vocational-technical education program, except that if a district has elected not to come under sections 681 to 690 of the revised school code, MCL 380.681 to 380.690, the membership and taxable value of that district shall not be included in the membership and taxable value of the intermediate district. However, the membership and taxable value of a district that has elected not to come under sections 681 to 690 of the revised school code, MCL 380.681 to 380.690, shall be included in the membership and taxable value of the intermediate district if the district meets both of the following:

(i) The district operates the area vocational-technical education program pursuant to a contract with the intermediate district.

(ii) The district contributes an annual amount to the operation of the program that is commensurate with the revenue that would have been raised for operation of the program if millage were levied in the district for the program under sections 681 to 690 of the revised school code, MCL 380.681 to 380.690.

(2) From the appropriation in section 11, there is allocated an amount not to exceed \$9,000,000.00 each fiscal year for 2009-2010 and for 2010-2011 to reimburse intermediate districts and area vocational-technical education programs established under section 690(3) of the revised school code, MCL 380.690, levying millages for area vocational-technical education pursuant to sections 681 to 690 of the revised school code, MCL 380.681 to 380.690. The purpose, use, and expenditure of the reimbursement shall be limited as if the funds were generated by those millages.

(3) Reimbursement for the millages levied in 2008-2009 shall be made in 2009-2010 at an amount per 2008-2009 membership pupil computed by subtracting from \$191,000.00 the 2008-2009 taxable value behind each membership pupil and multiplying the resulting difference by the 2008-2009 millage levied. Reimbursement for the millages levied in 2009-2010 shall be made in 2010-2011 at an amount per 2009-2010 membership pupil computed by subtracting from \$194,700.00 the 2009-2010 taxable value behind each membership pupil and multiplying the resulting difference by the 2009-2010 millage levied.

Compiler's note: The repealed section pertained to Michigan manufacturing technology program.

388.1664 Middle college focused on field of health sciences or other approved field; grants; awards; "middle college" defined; amount.

Sec. 64. (1) From the appropriation in section 11, there is allocated an amount not to exceed \$2,000,000.00 for 2010-2011 for grants to intermediate districts or a district of the first class that are in consortium with a community college or state public university and a hospital or other appropriate entity to create and implement a middle college focused on the field of health sciences or other field approved by the superintendent of public instruction.

(2) Awards shall be made in a manner and form as determined by the department; however, at a minimum, eligible consortia funded under this section shall ensure the middle college provides all of the following:

(a) Outreach programs to provide information to middle school and high school students about career opportunities in the health sciences field or other field approved by the superintendent of public instruction.

(b) An individualized education plan for each pupil enrolled in the program.

(c) Curriculum that includes entry-level college courses.

(d) Clinical rotations that provide opportunities for pupils to observe careers in the health sciences or other field approved by the superintendent of public instruction.

(e) Instruction in mathematics, science, and language arts that is integrated, where appropriate, into the courses in the approved field.

(3) For the purposes of this section, "middle college" means a series of courses and other requirements and conditions established by the consortium that allow a pupil to graduate with a high school diploma and a certificate or degree from a community college or state public university.

(4) Beginning in 2006-2007, a district or intermediate district may receive a grant under this section for up to 4 consecutive fiscal years. For the first 2 fiscal years of the grant period, the grant amount shall be 100% of the award determined by the department. For each of the remaining 2 fiscal years of the grant period, the grant amount shall be an amount equal to 50% of the recipient's grant amount for the previous fiscal year.

388.1665 Precollege programs in engineering and sciences; requirements; report; payment schedule.

Sec. 65. (1) From the amount appropriated in section 11, there is allocated an amount not to exceed \$905,100.00 for 2010-2011 for grants to districts or intermediate districts, as determined by the department, for eligible precollege programs in engineering and the sciences.

(2) From the funds allocated under subsection (1), the department shall award \$680,100.00 for 2010-2011 to the 2 eligible existing programs that received funds appropriated for these purposes in the appropriations act containing the department of energy, labor, and economic growth budget for 2005-2006.

(3) From the funds allocated under subsection (1), the department shall award \$225,000.00 for 2010-2011 to eligible intermediate districts for programs to train pupils in alternative energy. The department shall award \$75,000.00 to each eligible intermediate district. The intermediate district shall use the funds for engineering and sciences programs with industry level partnerships that are in proximity to renewable energy facilities. To be eligible for funds under this subsection, an intermediate district must meet all of the following requirements:

(a) The combined total 2007-2008 pupil membership for all of its constituent districts was less than 20,000 pupils.

(b) Levied at least .11 but not more than .19 operating mills in 2007-2008.

(c) Had a 2007 taxable value greater than \$1,500,000,000.00.

(d) At least 28% of the combined total number of pupils in membership for all of its constituent districts were eligible for free or reduced-price lunch for 2007-2008.

(e) Is contiguous to at least 1 other intermediate district that meets the requirements of subdivisions (a) to (d).

(4) The department shall submit a report to the appropriations subcommittees responsible for this act, to the state budget director, and to the house and senate fiscal agencies by February 1, 2011 regarding dropout rates, grade point averages, enrollment in science, engineering, and math-based curricula, and employment in science, engineering, and mathematics-based fields for pupils who were enrolled in the programs awarded funds under subsection (2) or under preceding legislation. The report shall continue to evaluate the effectiveness of the precollege programs in engineering and sciences funded under this section.

(5) Notwithstanding section 17b, payments under this section shall be paid on a schedule and in a manner determined by the department.
