Ladies and Gentlemen:

Today I am vetoing Senate Bills 1037 and 1039. The bills dealt with certain Medicaid related responsibilities of the Department of Health and Human Services.

The legislation has significant revenue and administration issues that need to be resolved before this can be considered appropriate policy in our state. Accordingly, I am returning these bills without signature in order to allow for more thorough evaluation of the revenue and administration impacts of the bills.

Sincerely,

Rick Snyder
Governor
